# Notice of Public Meeting

*Washington County  
NC Hurricane Matthew Resilient Redevelopment Plan*

---

**Join Us for a Public Meeting  
March 3, 2017 at 1 pm**

**Vernon James Center  
Research Station Road,  
Plymouth, NC**

*The North Carolina General Assembly established the North Carolina Resilient Redevelopment Planning (NCRRP) program to deliver a roadmap for community rebuilding and revitalization assistance for the communities impacted by Hurricane Matthew. The program empowers communities across the state to prepare locally driven recovery plans to identify redevelopment strategies, innovative reconstruction projects, and other needed actions. These redevelopment Plans will be finalized May 2017.*

*This public meeting intends to introduce your community to the NCRRP program and get your input on damages from the hurricane and needs to rebuild. This is the first of three public meetings where your input is critical to the development of resilient redevelopment strategies specific to your community and for inclusion in the final Plan (see above).*

*As a part of these meetings, your feedback and comments will be requested.*

**For additional information, please contact Ann Keyes, Emergency  
Management Director at 252-793-4114**
