

WASHINGTON COUNTY
RECRUITMENT ANNOUNCEMENT (REPOSTED 7/19/18)
LANDFILL SUPERVISOR

Washington County, North Carolina seeks qualified applicants for the Landfill Supervisor position to perform administrative, technical, and operational duties in managing the Landfill Division of the Public Utilities Department. Essential duties include operating and maintaining the landfill site and equipment, monitoring environmental compliance regulations and permits, contract management, budgeting, purchasing, and supervising staff and/or contractors.

Minimum qualifications include an Associate's Degree in Environmental Science, Business Administration, or related field; supplemented by 5 years of progressively responsible supervisory and related solid waste disposal and heavy equipment operation experience; or any equivalent combination of education and experience which provides the required knowledge, skills and abilities. Candidates must have a valid NC Driver's License (CDL preferred) and the ability to operate heavy machinery and computers proficiently. A drug test, skills aptitude test, and background investigation will be required.

Washington County offers a generous benefits package in addition to a salary range of \$27,981 - \$40,466 for this position dependent upon qualifications.

Applicants must submit a complete official County Job Application Form to: Fetima Moore, HR Specialist, at PO Box 1007, Plymouth, NC 27962.

Applications and a full position description may be obtained in person from the County Manager's Office at 116 Adams Street in Plymouth, or may be downloaded from:

http://www.washconc.org/human_resources-Job_Openings.aspx

Applications will be accepted until the position is filled. Initial review August 15th, 2018.
Washington County is an equal opportunity employer.
