

RECRUITMENT ANNOUNCEMENT

Posted 03/19/2021 – Expected Review Date 04/15/2021

Washington County
Utilities Department
Waterworks Technician I

Washington County is seeking qualified applicants for the position of Waterworks Technician I. The purpose of the position is to perform equipment operation and manual labor in the installation and maintenance of water lines and related structures. Installs new water service lines and maintains and repairs existing lines, extensions, connections, meters, fire hydrants and other related structural parts. Operates a variety of light and heavy equipment such as back hoes, dump trucks, pavement tampers, air compressors, hack hammers, and varied hand and power tools and performs manual labor. Performs related work as directed.

Minimum Qualifications:

High school graduation or equivalent; supplemented by 1 - 2 years of experience performing heavy equipment operation and manual labor, or an equivalent combination of education, training, and experience.

Salary Information:

Salary range - \$24,571 – \$29,915 (DOQ)

Special Requirements

Drug test and a background investigation will be required.

Application Process:

Applicants **MUST** use and submit a completed official Washington County Job Application Form to:

Fetima Moore
HR Specialist
PO Box 1007
Plymouth, NC 27962

Official Applications and a full position description may be obtained in person from the County Manager's Office at 116 Adams Street in Plymouth, or can be downloaded from

http://www.washconc.org/human_resources-Job_Openings.aspx

Applications will be accepted until the position is filled. Washington County offers a generous benefits package in addition to a salary, and is an equal opportunity employer.
