SECTION – 5 NOTICE & HEARING

- (A) Before any building or structure may be ordered to be demolished and removed as provided in this ordinance, the building inspector shall notify the owners thereof, in writing, by certified or registered mail to the last known address of such owner, or by personal service of such notice by the building inspector or his assistant or by posting notice as hereinafter provided, that such building or structure is in such condition as appears to constitute a fire or safety hazard, or to be dangerous to life, health, or other property, or to be a public nuisance, and that a hearing will be held before the building inspector at a designated place and time not less than ten (10) days after the date of such written notice, at which time and place the owner shall be entitled to be heard in person or by counsel upon all legal or factual questions relating to the matter and shall be entitled to offer such evidence as they may desire which is relevant or material to the questions sought to be determined or the remedies sought to be effected.

SECTION – 7 APPEALS – FINALITY OF ORDER NOT APPEALED

- (A) The owner of any building or structure ordered by the building inspector to be demolished and removed, or who is directed by the building inspector to take any other steps to abate a nuisance or remove hazards found by the building inspector to exist, shall have the right of appeal from such orders to the county commissioners, provided, that such owner gives notice of appeal to the building inspector at the time of the hearing at which the order is made, or, within ten (10) days after such order is made, files with the building inspector, a written notice of such appeal. Notice of appeal shall state the

grounds therefore.

- (B) Unless an appeal is taken within the time and in a manner herein prescribed, the action of the building inspector shall be deemed final, subject **only** to such action as the county commissioners may take as herein elsewhere provided. Where an appeal has been properly taken and notice thereof given in accordance with the provisions of this section, it shall be the duty of the building inspector to report the same to the county clerk who shall cause the matter to be placed on the agenda for action by the county commissioners at its next regular meeting.

SECTION – 8 REPORT WHEN OWNER FAILS TO COMPLY

- (A) In the event the owner does not appeal from the final order or direction of the building inspector requiring that the building or structure be demolished and removed or the taking of such other steps as may be required to abate the nuisance and remove the hazards, and fails or refuses to comply with such order and direction, it shall be the duty of the building inspector to file a written report thereof with the county clerk who shall cause such report to be placed on the agenda of action by the county commissioners at its next ensuing regular meeting.
- (B) The building inspector shall mail a copy of such report by certified or registered mail to the owner at his last known address, or have a copy of said report delivered to such owner. Such report shall specify the date of the meeting of the county commissioners for which the matter will be docketed for action.

SECTION – 9 ORDER BY COUNTY COMMISSIONERS

- (A) In all cases referred to in this article which reach the county commissioners for action, either upon appeal of the owner from the ruling of the building inspector, or upon report of the building inspector that the owner fails or refuses to comply with his order or direction, the county commissioners shall hear the matter, and if it finds and determines that the building or structure in question is in such a dilapidated or substandard state of disrepair as to constitute a fire or safety hazard, or to be dangerous to life, health, or other property, or is a public nuisance, and that the owner of such building or structure has failed or refused to abate the nuisance and has failed or refused to have such building or structure demolished and removed, or has failed or refused to take such other steps as may be necessary to abate the nuisance and remove the hazards found to exist, it may cause the demolition and removal of such building or structure to be done, or effect such other remedies as may be necessary to abate the nuisance and remove the hazards, and specifically assess the cost of such work against the lot or parcel of land on which the building or structure was situated. Any such assessment shall constitute a specific lien upon said lot or parcel of land, which may be collected and enforced in the same manner as unpaid taxes.

SECTION – 10 PUBLICATION OF POSTED NOTICE REQUIRED

- (A) In cases in which the building inspector has been unable to give the owner actual notice of hearing in the manner hereinabove provided, and has given such notice by posting and publishing the same as authorized in this ordinance, and the owner has failed or refused to comply with the order or direction of the building inspector to demolish and remove the building or structure, or take such other remedial action as will remove hazards, and such case is referred to the county commissioners for action, the county commissioners shall, before taking action, cause to be posted on the outside of the building or structure in question at least ten (10) days prior to the date fixed for the hearing, and published one time in a newspaper having general circulation in the county at least one (1) week prior to the date fixed for such hearing, a written notice stating the address or location of the building or structure involved and the time, place and purpose of the hearing and such other information as the county commissioners may deem advisable.

SECTION – 11 PRESUMPTION OF PUBLIC DANGER

- (A) In all cases in which the county commissioners, under authority of this ordinance, causes the demolition and removal of any building or structure to be carried out, or directs such other remedial steps to be taken as may be necessary to abate the nuisance and remove the hazards, it shall be conclusively presumed that the public nuisance and the fire safety hazard and danger to life, health or other property, created and maintained by the continued presence of such building or structure in such condition as is found to exist, constitute a clear and present danger amounting to a situation of emergency involving the public health, safety and general welfare, which requires entry upon private property for the summary abatement and removal of such danger, in the public interest.

SECTION – 12 FAILURE TO COMPLY WITH ORDERS, PENALTIES, CONTINUING VIOLATIONS

- (B) **Severability:** If any provision(s) of this ordinance shall be deemed by a court of law having jurisdiction over such matters to be unenforceable, invalid, or unconstitutional for any reason, such determination shall not affect the validity of this ordinance as a whole or any part hereof that is not specifically determined and declared thereby to be unenforceable, invalid, or unconstitutional.
- (C) **Conflict of Laws or Ordinance Provisions:** Whenever the regulations of this ordinance conflict with one another, or with the requirements of any other statute, the more restrictive regulation shall be deemed to control and govern.
