Non-Governmental Facility Use Policy

Washington County attempts to provide a valuable service to the community by occasionally permitting private non-governmental use of certain County owned facilities for civic, cultural, educational, or other approved activities when able to do so without disrupting or interfering with official County operations.

This policy is intended to establish the minimum terms, conditions, and procedures under which such use may be authorized. Requests to use any County owned facility or property must be made at least ten (10) days in advance by contacting the County Manager's Office located at 116 Adams St. Plymouth, NC 27962 by phone (252)793-5823 or email at: cmoassistant@washconc.org

GENERAL RULES

All uses of any County owned or controlled facility by any authorized users (including individuals, groups, agencies, or organizations as well as any and all of their respective employees, volunteers, agents, invitees, or other guests of any kind) shall be governed at all times by the following general rules:

- 1. Users shall designate one primary person to be held responsible for the activity.
- 2. The same designated primary person shall also be the ONLY point of contact for the County.
- 3. Users must request use of the facility at least thirty (30) calendar days, and not more than ninety (90) calendar days before the proposed use date, by submitting a Facility Use Application to the County Manager's Office. Applications may be denied or conditionally approved for any reason, or for no reason, in the sole discretion of the County Manager or their authorized agent. Such reasons may include without limitation: concerns about property condition, activity specific liability concerns, public health and safety concerns, or potential interference with County operations or activities.
- 4. Users shall only permit the facility to be used for the purpose(s) stated in the signed Application.
- 5. Users shall not assign or transfer any permitted authorization to use County facilities to any other party without County's written permission.
- 6. Facility reservations shall be made in the order requested. The County reserves the right to assign available facilities based on its determination of appropriateness for the intended use and convenience to minimize potential disruption to normal County operations. The County may change the assigned room or facility or cancel a reservation if an emergency or urgent need arises although every effort will be made to reasonably accommodate the User in any such an event. The County is not responsible for any financial losses incurred by Users in the event of any cancellation or amendment of the permitted use, or by changing the facility assigned to the user.
- 7. Entry instructions will be coordinated ONLY with the same designated primary person.
- 8. No special or reserved parking is provided. All parking is on a first-come, first-served basis.
- 9. Users are expected to furnish their own supplies (copiers, markers, pens, pencils, paper, flip charts, post-it notes, tape, etc.) Copier services are not provided.
- 10. No person shall intentionally throw or place litter on the grounds, streets, or parking areas.
- 11. Users are expected to clean up thoroughly after all events, and to place all food and trash in designated containers if provided, and to empty such containers or otherwise deposit all such food and trash in designated dumpsters located outside of the facility.
- 12. Users shall NOT restrict attendance or participation in any event at the facility based on race, sex, color, religious affiliation, national origin, disability, political affiliation, or any other protected class.

<u>Audio/Visual and Sound Equipment</u>: Unless otherwise requested and approved in advance, Users are expected to provide their own visual and audio equipment. Access to County owned audio/vision equipment is generally NOT provided or authorized. Open unprotected Wi-Fi may be available in some locations but is not guaranteed or endorsed as secure.

<u>Facility Set-up</u>: Users are responsible for set-up (tables/chairs arrangements) and break-down for each event and must return all furniture to its original location. The County is NOT responsible for furniture arrangement.

<u>Food Services</u>: The County Manager's Office must be notified if food is going to be served.

Responsibility for Supervision & Damage:

The designated primary person (and point of contact) must be physically present at all times during all permitted use of the facility, and together with the User, shall be primarily responsible for supervising the general care, custody and control of the facility and any and all activities and events thereat, including the maintenance of general order and safety of all people present. No County officials or employees shall be deemed or held responsible for any such supervision. Users shall be responsible for any damage to County property, other than normal wear and tear, while the facility is under the User's supervision, care, custody, and control. The following rules shall be observed:

- 1. Users shall NOT place tape on painted surfaces, or paint, wallpaper, mark, or deface; or drive nails, tacks, or screws into floors, walls, ceilings, desks, or any other County property.
- 2. Users shall immediately remove their property and equipment from the facility after its use.
- 3. Users shall leave the County premises arranged as found and in a clean, neat and orderly manner.
- 4. Users shall comply with all applicable local fire codes and all local, state, and federal laws.

WASHINGTON COUNTY BOARD OF COMMISSIONERS

AGENDA STATEMENT

ITEM NO: 2

DATE: June 3, 2024

ITEM: Public Forum (3-5 minute limit per speaker)

SUMMARY EXPLANATION:

As is required by North Carolina General Statute §153A-52.1, time has been allotted for comments from the public.

Public Comment Statements

In December of 2015, the Washington County Board of Commissioners adopted a public comment period. Essentially this policy said that a public comment period shall be set aside at the beginning of each regular monthly Commissioners and it shall be limited to a maximum of thirty (30) minutes.

Additionally, this policy stated that <u>all speakers are required to sign up prior to the meeting</u> at which they wish to speak. The signup sheet must be on the podium 30 mins prior to the meeting. Each speaker shall clearly write their name, address, and the topic upon which they wish to speak on the signup sheet. This board adopted rules that must be followed. Some of the high points of those rules, which I wish to remind the public is:

- 1. Speakers shall be acknowledged by the Board Chairperson.
- 2. Speakers shall address the Board from the lectern at the front of the room, and begin their remarks by stating their name and address.
- 3. Public comment is not intended to require any Board or staff members to answer any impromptu questions or engage in debate. Speakers shall address all remarks to the Board as a body, and not to any individual board or staff members. Discussions between speakers and members of the audience shall not be allowed.
- 4. Speakers shall be courteous in their language and presentations, and shall not use profanity, racial slurs, or make any obscene remarks, nor engage in any personal attacks of commissioners.
- 5. Speakers shall have a maximum of three (3) to five (5) minutes to make their remarks depending on the number of speakers and topics. The Chairperson may limit the number of speakers allowed to make substantially similar comments with respect to the same topic.
- 6. Speakers who have prepared written remarks or supporting documents are encouraged to leave a copy of such remarks and documents with the County Clerk.
- 7. Speakers shall not discuss any of the following: matters which are the subject of public hearings set for the same meeting; matters which are closed session matters, including without limitation matters within the attorney-client privilege, anticipated or pending litigation, personnel, property acquisition, and matters which are made confidential by law.

WASHINGTON COUNTY BOARD OF COMMISSIONERS AGENDA STATEMENT

ITEM NO: 6

DATE: June 3, 2024

ITEM: Quasi-Judicial Public Hearing: Special Use Permit for T.F. Nixon Memorial Gardens, Mr. Curtis Potter, CM/CA & Mr. Allen Pittman, Planning Director

SUMMARY EXPLANATION:

Ms. Bennett will swear the Board of Commissioners in as the Board of Adjustment.

The Board of Adjustment will then convene.

Mr. Potter will preside over the quasi-judicial hearing for the abovementioned subject.

See attached.

<u>Procedures for Quasi-Judicial Hearing for</u>

Special Use Permit ("SUP"):

I. MOTION to go into Public Hearing to hold a quasi-judicial hearing on the following case:

<u>SPECIAL USE PERMIT APPLICATION</u> filed by <u>Mary Smith</u> on <u>3/26/24</u> seeking a Special Use Permit pursuant to <u>Article 3A</u>, <u>Subsection C(J)</u> of the Washington County Zoning Ordinance to: <u>build a proposed 6 grave cemetery on property owned by Shelia</u> <u>Littlejohn located off 1079 Woodlawn Road Roper, NC 27970 (PIN: 6898.00-78-4167)</u>.

- II. INSTRUCTION RE QUASI-JUDICIAL PROCEDURE (Attorney/Planning Director)
 - Special Use Permits are governed by NCGS 160D and Article 5 of the Washington County Zoning Ordinance. NCGS 160D-406 and 160D-705 require the use of quasi-judicial procedures during public hearings held to consider such matters.
 - 2. Quasi-judicial proceedings are different than other public hearings in that not everyone has the right to present evidence before this Board and to become a party to this proceeding. A Quasi-judicial proceeding is much like a court proceeding where an individual's rights and interests are being decided under specific rules of procedure. Parties to this case have the right to present evidence and cross examine witnesses. The burden of proof in these cases typically lies with the Applicant. The extent to which the Rules of Evidence used in courts apply is up to the discretion of the Board.
 - 3. Only those who can demonstrate that they will be affected by the outcome of the hearing may become parties. After a description of the person's interest in this case, the Board will determine whether they will be allowed to present evidence as a party. Please note, you do not have to be a party to testify if someone who is a party calls you as a witness. All parties and witnesses who intend to present evidence or testify before this Board must be sworn in.
 - 4. As a quasi-judicial hearing, by law it must adhere to certain procedures, as there are legal standards that must be followed. To that end please consider the following:
 - A. The Board must base its decisions only on the evidence presented, including testimony given under oath or affirmation by any parties or witnesses called by a party.
 - B. Please limit testimony to facts relevant to the application and applicable legal standards for the Board's decision, what you know personally; no opinion testimony or hearsay.
 - C. Parties may cross-examine each testifying party or witness after their testimony if there are any questions. Cross-examination shall be limited to the matters testified about during the original testimony.
 - D. If you want the Board to see written evidence such as reports and maps or exhibits, the witness who is familiar with the evidence should ask that it be introduced during or at the end of his/her testimony.

E. In order for the testimony to be considered as evidence used in making the decision, it can only be given by persons in attendance at the meeting; otherwise, it is considered hearsay.

III. BOARD CONFLICTS OF INTEREST: (Board Chair or designated Speaker)

It is also important that the members of the Board of Adjustment consider and make sure that they do not have any conflicts of interest with serving as a member of the decision-making body for purposes of hearing and ruling on this particular case. Therefore, the following questions should be considered by each member and any potential conflicts should be voiced, discussed, and resolved if possible or otherwise result in recusal of any member with such a conflict by the other members of the Board.

- 1. does any member of this body have any interest in the property or the application, or do they own property in close proximity to the subject property;
- 2. does any member of this body stand to gain or lose any financial benefit as a result of the outcome of this hearing;
- 3. does any member of this body feel they cannot hear and consider the application in a fair and objective manner;
- 4. has any member of this body engaged in any ex parte communications with either proponents or opponents of the application, and, if so, I ask you to place on the record the substance of any such communications so that interested parties have the opportunity at this hearing to rebut the communications.
- 5. Are there any members of the audience who wish to challenge on appearance of fairness grounds participation in the matter by any member of Council, including the reasons for the request?

IV. INSTRUCTION RE SPECIFIC REVIEW STANDARDS: (Attorney/Planning director)

<u>Article 5 of the Washington County Zoning Ordinance is available online in its entirety for reference.</u> Certain relevant excerpts are pasted below for reference/convenience:

1. Purpose and Intent: Special use permits add flexibility to the Zoning Ordinance by allowing uses which would otherwise be undesirable to be established in designated districts under conditions imposed by the Board of Commissioners. Such permits are authorized under the terms of this article to provide for certain uses which cannot be well adjusted to their environment in particular locations in Washington County with full protection offered to surrounding properties by only the application of the underlying zoning district regulations. Further, special permit uses are those uses which, if not specially regulated, can have an undue impact on or be incompatible with other uses of land within or adjacent to a given zoning district. Based on the recommendation of the Planning Board, and upon the granting of a special use permit by the Board of Commissioners, these uses may be allowed to be located or expanded within given designated zoning districts under the standards, controls, limitations, performance criteria, restrictions and other regulations of this article.

- 2. General Standards and Criteria for Special Use Permit Review: <u>All applications for special use permit shall be reviewed using the following criteria</u>:
 - 1. The proposed use shall be:

А	In harmony with the adopted Land Use Plan and the Growth Opportunities Plan;	
В	In harmony with the intent and purpose of the zoning district in which the use is proposed to be located;	
С	In harmony with the character of adjacent properties and the surrounding neighborhoods and also with existing and proposed development.	

2	The proposed use shall be adequately served by essential public services such as	
	streets, drainage facilities, fire protection and public water, and sewer facilities,	
	where applicable.	
3	The proposed use shall not result in the destruction, loss or damage of any	
	feature determined to be of significant ecological, scenic or historic importance.	
4	The proposed use shall be designed, sited and landscaped so that the use will	
	not hinder or discourage the appropriate development or use of adjacent	
	properties and surrounding neighborhoods.	
5	The proposed use does not affect adversely the general plans for the physical	
	development of the County as embodied in these regulations and in any plan or	
	portion thereof adopted by the Planning Board.	
6	The proposed use will not affect adversely the health and safety of residents and	
	workers in the County.	
7	The proposed use will not be adversely affected by the existing uses.	
8	The proposed use will be placed on a lot of sufficient size to satisfy the space	
	requirements of said use.	
9	The proposed use will not constitute a nuisance or hazard because of the	
	number of persons who will attend or use said facility, vehicular movement,	
	noise or fume generation or any type of physical activity.	
10	The standards set forth for each particular use for which a permit may be	
	granted have been met.	
11	The Planning Board or Board of Commissioners may impose or require such	
	additional restrictions and conditions as may be necessary to protect the health	
	and safety of workers and residents in the community and to protect the value	
	and use of property in the general neighborhood.	
12	The proposed use will not be contrary to the purposes stated for these	
	regulations.	
13	Whenever the Board of Commissioners shall find in the case of any permit	
	granted pursuant to the provisions of the regulations that any of the terms,	
	conditions or restrictions upon which such permit was granted are not being	
	complied with, said Board shall rescind and revoke such permit after giving due	
	notice to all parties concerned and granting full opportunity for a public hearing.	

- 3. <u>Special Conditions</u>: In granting any special use permit, the Board of Commissioners may impose any reasonable standards or conditions deemed necessary to protect the public interest and welfare. These may include but need not be limited to:
 - a. More restrictive sign standards.
 - b. Additional open space, landscaping or screening requirements.
 - c. Additional yard requirements.
 - d. Special lighting requirements.
 - e. Time limitations on hours of operation.
 - f. Additional off-street parking and loading requirements.
 - g. Additional utility, drainage, and public facility requirements.
 - h. Additional right-of-way and public access requirements.
 - i. Additional requirements to ensure compatibility with the Land Use Plan.
 - j. Conditions for renewal, extension, expiration, and/or revocation of the permit.
- 4. Action by Planning Board: No special use permit shall be approved unless the proposal has been reviewed by the Planning Board. The Planning Board shall conduct at least one (1) public hearing in accordance with this Ordinance. Following the public hearing, the Planning Board shall prepare and by motion adopt its recommendations, which may include changes in the applicant's original proposal resulting from the hearing, and shall report such recommendations, together with any explanatory material, to the County Commissioners.
- 5. Action by Board of Commissioners: Before approving a special use permit, the Board of Commissioners (acting as the Board of Adjustment) shall hold at least one (1) public hearing in accordance with this Ordinance after which the Board of Commissioners may make appropriate changes to or impose appropriate conditions upon the proposed special use. Nothing herein shall preclude the Board of Commissioners from holding a joint public hearing with the Planning Board.
- 6. Other MISC Procedural Matters:
 - a. Any public hearing conducted on this matter may be continued to a later specific date, time, and location as deemed necessary by the Board.
 - b. If deemed reasonably necessary by the Board, one or more physical site visits may be arranged in accordance with applicable laws and reasonable safeguards to insure no conflicts of interest or unfair advantages are created as a result thereof for any Board member, applicant or any other interested party.
 - c. A concurring vote of a <u>majority</u> of the members of Board of Commissioners shall be required to approve a special use permit.
 - d. Unless otherwise directed, staff will prepare a written order within five (5) business days reflecting the relevant findings of fact and conclusions of law supporting and final decision of the Board in this hearing. The Clerk shall circulate a draft for signature approval by a majority of the Board members voting in this matter to grant or deny the permit. After receiving enough signatures, the Order shall be certified and entered in the Board's records as its "Final Order" in this matter. The Clerk shall provide notices thereof as required by applicable law.

Washington County Planning Board:

The family of Mary Nixon is requesting a special use allowance to establish a family cemetery on our family land located at 1079 Woodlawn Road in Roper. The property is our homesite, is in a Rural Area Single Family Detached Residential District, and is not located in an area of environmental concern (flood zone). I do not find any reason based on your Ordinance or your Land Use Plan (provided by the Planning Department) that this cemetery use would affect the neighborhood or county in general in a negative way. According to your zoning Ordinance, Article 3A: Section C., Uses Permitted by Special Use Permit, item j. is cemeteries.

In 2007, my Father, Thomas F. Nixon passed away and was buried in the back yard on this property. At that time, the family utilized Purkett Puckett Funeral Services in Roper, no longer in operation. We discussed with, and were assured that, the family cemetery was registered as T. F. Nixon Memorial Garden and would be available for future immediate family burials. As of today, there is no record of the special use permit, or the designation of a cemetery on this property in the County's GIS or the tax records. It is now my understanding that to establish the cemetery, the family must apply for a special use permit to establish the designation by survey and registration of said survey. My mother, Mary Nixon, is now deceased, and this discovery has taken us aback, as we have no legal grounds to bury her where we had always intended because we did not understand to follow through after we were told everything was taken care of so many years ago. I understand the county cannot give our family permission to bury her at this location until this permit is granted, which I hope you will see fit to do.

I have read and discussed the special use permitting process with the planning office, and I am offering this document, along with a survey by Tim Esolen, the application form, and the application fee of \$150.00 in consideration of establishing the T. F. Nixon Memorial Garden family cemetery at 1079 Woodlawn Road in Roper NC. The following properties adjoin our land for notification during the Public Hearing process.

I understand the next step is to have the Planning Board review the application, hold a public hearing and determine whether to send the application to the Board of Adjustment for action/approval so that we will be able to put our minds at ease, having followed all procedures to make sure we do not face this issue again in the future.

Please do not hesitate to contact me if there are any questions, or if you need further information. Thank you for your help and consideration.

TAX LEVIES

AN AD-VALOREM PROPERTY TAX, IS HEREBY LEVIED, at the rate of EIGHTY-FOUR CENTS (\$0.840) per one hundred dollars (\$100) valuation on all real and personal property and motor vehicles listed for taxes as of January 1, 2024 for the specific purpose of generating the revenues referred to as Taxes Ad-Valorem Current Year and Ad-Valorem Taxes-Motor Vehicle in Section 1 of this Ordinance.

A SPECIAL WATERSHED IMPROVEMENT TAX, IS HEREBY LEVIED, at the rate of ONE CENT (\$0.01) per one hundred dollars (\$100) valuation on all real and personal property and motor vehicles listed for taxes as of January 1, 2024 for the specific purpose of generating the revenues referred to as "Watershed Improvement Tax" in Section 1 of this Ordinance, which revenues shall be deposited within the Drainage Fund of Washington County and used for the prevention of flood water and sedimentation damages, and for furthering the conservation, utilization, and disposal of water and the development of water resources. This tax was authorized by referendum election held May 6, 1972.

THESE LEVIES, and the corresponding estimate for revenues generated therefrom are based on the following projected tax base and collection rates.

Tax Base	Value	Rate
Motor Vehicles	\$114,000,000.00	100.00%
Public Utilities	\$82,300,000.00	95.36%
All other Real & Personal Property	\$845,000,000.00	95.36%
Total Value/Combined Rate:	\$1,041,300,002.91	95.87%

Section 4.

FEE SCHEDULE

Any updated Washington County Fee Schedule attached to this Ordinance, shall be considered a part hereof, and shall be deemed adopted upon the approval of this Ordinance. The terms and provisions thereof shall supersede, replace, and control over any and all inconsistent terms or provisions of any previously adopted fee schedules. If no updated schedule is actually attached hereto, the most recent Washington County Fee Schedule actually approved by the Board of Commissioners is hereby ratified and reapproved, and shall be deemed to continue to apply with full force and effect, unless or until it is actually revised, replaced, or repealed by the Board of Commissioners.

Section 5.

PAY PLAN & SALARY SCHEDULE

Any updated Washington County Salary Schedule attached to this Ordinance, shall be considered a part hereof, and shall be deemed adopted upon the approval of this Ordinance. The terms and provisions thereof shall supersede, replace, and control over any and all inconsistent terms or provisions of any previously adopted Salary Schedules. If no such updated schedule is actually attached hereto, the most recent Washington County Salary Schedule actually approved by the Board of Commissioners is hereby ratified and reapproved, and shall be deemed to continue to apply with full force and effect, unless or until it is actually revised, replaced, or repealed by the Board of Commissioners.

Section 6.

MISCELLANEOUS

- a. Use of electronic or facsimile signature is authorized for use on County checks to the fullest extent permitted by law.
- b. Reimbursement for mileage will be .50 cent per mile.
- Additional detailed breakdowns by line item are provided for informational purposes in the attached spreadsheets reflecting the projected revenues and allocated expenditures by Fund/Department. In keying the budget, the Finance Officer is authorized to make minor adjustments of not more than \$10 per fund to correct for rounding errors in order to maintain balance between revenues and expenses within the County Financial System Software while also expediting the budget process.
- d. Departments must abide by the pre-audit procedures found in G.S. 159.28 together with any and all applicable county purchasing policies or laws when purchasing goods and services.
 - i. Purchase Order Policy: Unless otherwise required by applicable law or the County Finance Officer, a standardized purchase order system shall be utilized to pre-obligate all individual purchases/contractual obligations exceeding: \$999.99. The County Manager is also authorized to delegate the authority to the County Finance Officer to unilaterally approve increases to initially approved Purchase Orders within available funding limits by not more than an additional 50% (but not exceeding an additional \$999.99) whenever deemed necessary and advisable to expedite the processing and administration of such purchase orders modifications.
- e. Property acquired by Washington County or any department through purchase, gifts, or other legal acquisitions will be disposed of in accordance with NCGS 160A Art. 12, or if applicable NCGS 15-11.1, and otherwise in accordance with applicable county policies or law.

f. Governing Board:

- i. In accordance with Washington County policy, members of the Board of Commissioners will receive a general stipend of \$575.00 per month, whereas the Chair of the Board will receive \$650.00 per month.
- ii. Additionally, due to the demands of the office, the Chair will receive an incounty travel stipend of \$ 275.00 per month, whereas other Commissioners will receive \$225.00 per month. In-County travel for this section is defined as being within thirty (30) miles of the individual Commissioners' home.
- iii. A cellular telephone stipend of \$ 50.00 per month will also be provided to all Commissioners.
- g. All outside agencies or other parties that receive county funding shall submit financial statements to the county each year at the end of any of their respective annual budget cycles in which such funding was received, and shall provide a written report to the Budget Officer regarding how such funds were actually used for the benefit of Washington County or its citizens if not otherwise disclosed within such financial statements or other regularly provided or publicly available reports. Approved county payments may be delayed pending receipt of such information. All such agencies or parties shall also submit a written request to the Budget Officer for the continuation of any such funding or for any new or revised funding no later than 90 days prior to the start of any fiscal year in which Washington County will be asked to provide such funding (March 31st).
- h. Copies of this Budget Ordinance shall be furnished by the Clerk to the Board to the County Manager, Finance Officer, Tax Administrator, and Board of Education for direction in the carrying out of their duties, and are available for public inspection in the Office of the Clerk to the Board.

Section 7.

BUDGET OFFICER AUTHORITY:

The Budget Officer (County Manager) is hereby granted the following authority:

- a. To make any changes to the Approved Salary Schedule, or to an Employee's Salary, after first consulting with the Board either collectively or individually.
- b. To make transfers between line items in the same department, or between department budgets supervised by one department head, or the Finance Officer without limitation.
- c. To otherwise make transfers within any individual fund of up to \$10,000 between individual departments, including contingency/designated for future purposes lines. In emergency or special circumstances warranting a larger immediate transfer for good cause approved by both the Budget Officer and Finance Officer, this standard monetary cap may be exceeded, subject to subsequent Board ratification/approval.

- d. To apply for and accept grant funding unless application or acceptance directly by the Board is required by any applicable grantor source, provided any local match required must be approved by the Board if not otherwise allocated within the approved Budget, and to execute any necessary grant agreements to facilitate the same. All grant funds must be budgeted before being spent.
 - i. To the extent deemed necessary by the Budget Officer or County Finance Officer, the Board Chair is also hereby authorized without further consent being required, to execute grant applications and/or grant agreements on behalf of the County to the same extent, and subject to the same limitations upon such authority provided to the Budget Officer hereinabove.
- e. During the month of June only, the Budget Officer may make any necessary inner-departmental and/or inter-departmental budget transfers/amendments within any single fund, and in any amount deemed reasonably necessary, to complete year end spending and close out the fiscal year. Nothing herein shall authorize the Budget Officer to increase or decrease the overall budgeted amount for any fund without prior approval of the Board.
- f. All Budget Amendments and/or Transfers made by the Budget Officer hereunder shall be reported to the Board of Commissioners at their next regular meeting following such transfers, or as soon thereafter as possible, and shall be deemed ratified by the Board unless action is taken by the Board to nullify any such transfer.
- 9. To approve change orders for contracts approved by the Board up to the greater of 5% of the contract amount or \$30,000 per occurrence provided the total allocated budget for any project is not exceeded as a result. Any such approvals shall be reported to the Board at or before its next regular meeting.

Section 8.

Annual Micro-Purchase Threshhold & Mini-Brooks Act Authority Statement:

WHEREAS from time to time, the County of Washington, North Carolina (the "County") purchases goods and services using federal funding subject to the procurement standards in 2 C.F.R. Part 200, Subpart D;

WHEREAS the County's procurement of such goods and services is subject to certain federal procurement laws including without limitation those commonly known and referred to as "Uniform Guidance", as well as any specific local policies related to federal procurement adopted and/or amended from time to time, including without limitation the County's Uniform Guidance Conflicts of Interest Policy adopted November 5th, 2018;

WHEREAS the County is a non-Federal entity under the definition set forth in 2 C.F.R. § 200.1;

WHEREAS pursuant to 2 C.F.R. 200.320(a)(1)(ii), a non-Federal entity may award micropurchases without soliciting competitive price or rate quotations if the non-Federal entity considers the price to be reasonable based on research, experience, purchase history or other information and documents that the non-Federal entity files accordingly;

WHEREAS pursuant to 2 C.F.R. 200.320(a)(1)(iii), a non-Federal entity is responsible for determining and documenting an appropriate micro-purchase threshold based on internal controls, an evaluation of risk, and its documented procurement procedures;

WHEREAS pursuant to 2 C.F.R. § 200.320(a)(1)(iv), a non-Federal entity may self-certify on an annual basis a micro-purchase threshold not to exceed \$50,000 and maintain documentation to be made available to a Federal awarding agency and auditors in accordance with 2 C.F.R. § 200.334;

WHEREAS pursuant to 2 C.F.R. § 200.320(a)(1)(iv), such self-certification must include (1) a justification for the threshold, (2) a clear identification of the threshold, and (3) supporting documentation, which, for public institutions, may be a higher threshold consistent with State law;

WHEREAS G.S.143-129(a) and G.S. 143-131(a) require the County to conduct a competitive bidding process for the purchase of (1) apparatus, supplies, materials, or equipment where the cost of such purchase is equal to or greater than \$30,000, and (2) construction or repair work where the cost of such purchase is greater than or equal to \$30,000;

WHEREAS North Carolina law does not require a unit of local government to competitively bid for purchase of services other than services subject to the qualifications-based selection process set forth in Article 3D of Chapter 143 of the North Carolina General Statutes (the "Mini-Brooks Act");

WHEREAS G.S.143-64.32 permits units of local government to exercise, in writing, an exemption to the qualifications-based selection process for services subject to the Mini-Brooks Act for particular projects where the aggregate cost of such services does not exceed \$50,000; and

WHEREAS pursuant to 2 C.F.R. 200.320(a)(1)(iv), the Washington County Board of Commissioners now desires to adopt higher micro-purchase thresholds than those identified in 48 C.F.R. § 2.101;

NOW THEREFORE, BE IT RESOLVED BY THE WASHINGTON COUNTY BOARD OF COMMISSIONERS:

- The County has qualified as a low-risk auditee in accordance with the criteria set forth in 2 C.F.R. § 200.520. Therefore, in accordance with 2 C.F.R. § 200.320(a)(1)(iv)(A) and the applicable provisions of North Carolina law, the County hereby self-certifies the following micro-purchase thresholds:
 - a. \$30,000, for the purchase of apparatus, supplies, materials, or equipment;
 - b. \$30,000, for the purchase of construction or repair work;
 - \$50,000, for the purchase of services not subject to competitive bidding under North Carolina law; and

- d. \$50,000, for the purchase of services subject to the qualifications-based selection process in the Mini-Brooks Act, G.S. 143-64.31; provided that such threshold shall apply to a contract only if the County has exercised an exemption to the Mini-Brooks Act, in writing, for a particular project pursuant to G.S. 143-64.32. The Board of Commissioners hereby delegates authority to grant such exemptions to the County Manager. If the exemption is not authorized, the micro-purchase threshold shall be \$0;
- The self-certification made herein shall be effective as of July 1st of the current calendar year, and shall be applicable until June 30th of the next succeeding calendar year.
- In the event that the County receives funding from a federal grantor agency that adopts a threshold more restrictive than those contained herein, the County shall comply with the more restrictive threshold when expending such funds:
- The County shall maintain documentation to be made available to a Federal awarding agency, any pass-through entity, and auditors in accordance with 2 C.F.R. § 200.334; and
- The County Manager is hereby authorized to revise, if necessary, the Federal Purchasing Policy of the County to reflect the increased micro-purchase thresholds specified herein, and to take all such actions, individually and collectively, to carry into effect the purpose and intent of the foregoing resolution.

Section 9.	ADOPTION
	The Washington County Board of Commissioners, having first conducted a public hearing in accordance with applicable law, prior to the adoption of its annual budget ordinance (this Budget Ordinance) for the upcoming fiscal year; which hearing was held at:
	at: on or about the day of, 20, does hereby adopt this Budget Ordinance this day of, 20

RE:

SS Economic Support

Please authorize the finance officer to make the following budgetary adjustments:

Account Code	Description	Old	+ or (-)	New
10-5380-190	SS Economic Support-WF Employment Services	10,000.00	(5,000.00)	5,000.00
10-5380-379	SS Economic Support-Special Assistance	85,000.00	5,000.00	90,000.00
SS Economic Supp	ort			
		95,000.00	- 1	95,000.00

Justification:

This transfer is to move budgeted funds within the Social Services Economic Support Budget from WF Employment Services to Special Assistance in anticipation of the costs needed for the drafts from the State. Both lines are all county dollar so this movement will not effect revenue.

RE: SS Transit/SS Admin

Please authorize the finance officer to make the following budgetary adjustments:

Account Code	Description	Old	+ or (-)	New
10-5400-540	SS Transit-Capital Outlay-Van Replacement	280,000.00	(30,000.00)	250,000.00
10-5310-600	SS Admin - Contracted Services	178,090.00	30,000.00	208,090.00
10-5310-320	SS Admin - Communications	25,000.00	(2,500.00)	22,500.00
10-5310-330	SS Admin - Utilities	25,000.00	2,500.00	27,500.00
10-5310-340	SS Admin - Postage	10,500.00	(2,500.00)	8,000.00
10-5310-611	SS Admin - Family Reunification (Psych Evals)	14,000.00	2,500.00	16,500.00
SS Transit/SS Adm	in	A		
		532,590.00	-	532,590.00

Justification:

This transfer is to redistribute budgeted monies within the Social Services Department from Capital Outlay Van Replacement to Contracted Services in order to increase this line to pay for additional contracted services due to a lack of staff and/or experience in the Children's Services Unit; from Communications to Utilities in order to cover expenses through fiscal year end as this line has come in over budget in most county departments; and from Postage to Family Reunification in order to pay for Psychological Evaluations that are needed to complete current cases that DSS is working on with the Court System. These lines are all reimbursable at the same rate therefore there will be no change in revenues.

SS Admin/SS E	conomic Support				
		Balanced:	(2,453,932.00)	- 1	(2,453,932.00)

Justification:

This amendment is being done as a result of reviewing the current lines in the budget and anticipating the necessary costs to provide for the children in DSS Custody. DSS has recently moved several children and taken custody of additional children that has caused an increase in costs of care until a placement could be located. Funds are being moved from non-reimbursable lines to 84% reimbursable lines therefore netting an increase in revenues.

- > Statistics Reports from April 2024 (see attached)
 - a) ABC Board Budget Amendment FY23-24
 There is no action required on this item. The ABC Board is required to submit it to the Commissioners.
 - b) ABC Board Proposed Budget FY24-25
 There is no action required on this item. The ABC Board is required to submit it to the Commissioners.

Department Head Reports to the Commissioners June 3, 2024 Board of Commissioners' Meeting

EMS Jennifer O'Neal

EMS STAFFING:

The EMS Division currently has (4) Full-Time Paramedic positions available. The Transport Division has two Full-Time EMT positions available, one Full-Time EMT on medical leave. We are also accepting applications for Part-Time positions for all levels (EMT, A-EMT, and Paramedic). The Full-Time EMT that completed Paramedic training in March of this year tendered a resignation to take a position with Chowan County EMS and a 5-year employee has also tendered a resignation to take a position with Dare County EMS. Both remained with us as part time Medics. We still have two Full-Time EMTs that should complete Paramedic training through Martin Community College in the fall of this year and two Full-Time EMT's completing Advanced EMT training through MCC in July.

SAFETY:

We continue to participate in the Injury Prevention System program through the NCACC monthly with safety sheets and will begin an Injury Prevention College on NeoGov soon.

SYSTEM BUSINESS:

UNC PECC+ Program: Our PECC+ Coordinator has moved to Part-Time, she will be continuing to handle the program.

Duke RACE-CARS Trial Program: Both LUCAS Chest Compression Systems have been received and the 2 remaining vehicle mounting systems came in this week. There will also be a CPR initiative and AED presentation at the Bear Festival this weekend!

National EMS Week 50th Anniversary

Thank you for your continued support of Washington-Tyrrell County EMS.

Recreation

Randy Fulford

Recreation is good. In T- Ball, Baseball, and Softball we had some players to sign up in all age groups, but not enough to start our league. We are signing up and playing flag football for all age boy and girls. We have 3 basketball teams going to the State Games in Concord, NC on June 14-16. This year we hope to win the gold.

Elections

Dora Bell

Filing begins June 10th at noon and runs through July 5th, 2024, for Soil and Water Conservation.

I finished the canvass for the 2nd Primary, and everything ran successfully. I am now getting ready to sort ballots and re-run them through the DS200 machines.

Library

Brandy Goodwin

Staffing:

Doris Hoggard returned to her position 05/01/24 after being out for a family-related emergency; Malasia Davenport who filled in for her temporarily left her position on 04/30/24.

Programming:

Summer Reading begins on 06/26/24 with Windy Acres Petting Zoo performing at 1:00 PM; the rest of the programs ending on 08/07/24 are as follows:

July 3rd – Slime Adventures with Washington County Library (1:00 PM)

 $July \ 10^{th}-Nature \ Out \ Loud! \ with \ Paul \ Mazzei \ (1:00 \ PM)$

July 17th – OBX Lizard Land with the DiDario's (1:00 PM)

July 24th – Puppeteering Adventure with Gene Galligan (1:00 PM)

July 31st – Busy Bees! with Chowan County Beekeepers (1:00 PM)

August 7th – Magic Show with Rob Westcott (1:00 PM)

Grassroots performance begin with John Brown Jazz performing at the library on 05/31/24 at 2:00 PM; his ensemble will be performing on the Harbor Town Cruises boat both Friday and Saturday night – the rest of the programs in this series ending on 06/17/24 are as follows:

June 8th – Willa Brigham (Storyteller) at Washington County Library (11:00 AM)

June 10th – Tarish Pipkins (Puppeteer) at Washington County Library (1:00 PM)

June 17th – Sunya Folayan (Percussionist) at Washington County Library (1:00 PM)

WCL is bringing back Reading Logs for the summer; we are looking for 25 dedicated readers to participate in this challenge – logs will be dispersed the week of June 17th with a breakdown of how to participate/prizes earned.

Other Library Business:

Library was pressure-washed and landscaping will begin shortly to improve the looks of our grounds.

May Commissioner's Report

Rebecca Liverman

- We have installed a teaching garden with the assistance of our Horticulture Agent, Gene Fox. Our plan is to have QR codes linked to recipes for all the herbs and vegetables and use them in our summer programming.
- Our 66th Annual 4-H Livestock Show was a success! It was one of the smoothest shows I have ever participated in! Our team of parents, volunteers, and sponsors make this event wonderful. We were able to bring in over \$70K for the youth of this county.

I taught a Canning 101 class. Most people learn to preserve food from parents and grandparents without a foundation of the science behind it, and it is a scary process for people! We break down the methods and the myths of pressure canning, and water bath canning, along with proper freezing and dehydration techniques.

Did you know that improperly canned green beans can cause a fatal form of food borne illness known as botulism?

Ginny Mason 4-H Agent

- May 4-H to the Front Door Kits were delivered to 10 youth in the county
- We had 26 Washington County Youth
 participate in our 66th Annual 4-H Livestock
 Show and Sale, showing 11 hogs, 11 goats, 6
 lamb, and 3 heifers. We had:
 - 8 Cloverbuds (ages 5-7)
 - 11 Juniors (ages 8-12)
 - 7 Seniors (ages 13-18)
- I participated in an Electric and Horticulture programming training on May 14 and attended a 4-H Professionals Association meeting on May 16.
- Washington County 4-H'er Germari Tuggles, who graduated from NERSBA on May 18, received the Anne Kristine Barnes 4-H Scholarship. Germari will be attending Mount Olive University in the fall.

Jalynne Ward Ag Agent

Planted an on-farm cotton variety trial with Scattered Acres Farms. This is part of a statewide cotton variety evaluation program.

The Blackland Farm Managers
Tour will be hosted in
Washington County this year! We
are already in the trenches of
preparation for this event.

Helped a retired farmer clean out close to 100 old pesticide jugs from his storage building. The NCDA Pesticide Disposal Division was able to come collect all of these jugs for proper disposal at no charge.

- 1. We continue to work every day with Zacchaeus Legal Services sending tax information, verifying balances due, completing tax certifications, adding attorney fees and/or suit cost. They have requested another referral foreclosure list. I explained to them that it would be later this year before we would have the chance to submit another list as we are currently working on having the tax bills ready to mail in July and are down 2 people in personnel.
- 2. Assisted the taxpayers with the Tag & Tax program, handling value adjustments, refunds, releases, address corrections and general questions regarding motor vehicles.
- 3. Continue to verify PINs for Deed filings, process Tax Certifications and assign addresses in GIS we had several address requests this month. We have a variation of these daily.
- 4. Continue to work with the landfill. They call us for verification of ownership of a property, for example, there is a new owner for a property and that person is going into the landfill but before they are allowed to dump their debris or trash, the landfill calls us to make sure they own the property at the address they have given.
- 5. The Statistical report was submitted.
- 6. Christal Watkins processed the refunds after the Commissioners approval for them.
- 7. Sent mapping updates to Joe with Atlas. Had correspondence with Joe several times for assistance with mapping requests.
- 8. Emailed our contact with Albemarle Beach Solar, LLC regarding their monthly payment, she stated the request was being sent to her treasurer for the payment.
- 9. Property Tax Exemption applications continue to be submitted. The deadline is June 1st for a timely application.
- 10. Overall, very busy with the filing of forms, phone calls, emails, and office visits.
- 11. The data entry is being completed for the new construction reviews. When this is complete we will mail the assessment letters to the taxpayers, they will have 30 days to appeal the values.
- 12. Received debt set-off payments this month.
- 13. Hollie has worked diligently to process the deed transfers. She is currently assisting with the processing of our personal property listings. Each one has to be valued and entered into our tax program.
- 14. Hollie's new office setup is near completion, we will be working with Darlene Fikes to complete the computer setup this week.
- 15. Rosa was out of the office a couple of weeks due to a medical issue. Jerrian and Hollie picked up the pace on the processing of the personal property and business personal property listings.
- 16. Darlene Fikes and I discussed the conversion of our current software over to Keystone with our contracted person from Cox and Co. on May 2nd. We will be back in contact with her this week.

<u>Information Technology</u>

Darlene Fikes

- ➤ VoIP: Issue with caller-id is on BrightSpeed's side and really don't know that we will ever get that corrected. Two invoices for renewal of Juniper subscriptions have been corrected by VC3. Added two VoIP phones at Recreation Center and adjusted hours the phones ring. Worked with Missy on credit of \$7,397.99 we should have received from VC3. Gather all documentation on the credit and send email requesting to resolved by June 30th. Waiting for a response.
- > IT Move: Office has been moved to basement and continue to work on putting items in place. Server, core switches, patch panel, firewall and onsite backups remain on the first floor Tax office.
- Mediacom: Completed work at Senior Center. Received another notification stating changes for Courtesy Accounts using tv service. Mediacom will supply digital receiver and local tv at no charge, but those continuing to use variety tv there will be a charge. Send documentation I have on current accounts to Account Manager to review and verify. Once verified I will get with Department Heads to determine needs.
- ➤ FY24 911 Grant: Equipment has been ordered by Mobile Communications and waiting for delivery. Requested status from Mobile Communications.
- > FY25 911 Grant: Gather information requested by Laurie.
- Tax Office Software Migration: Connection to server has been made with Cox & Company.
- > Other Items:
 - -- Assist Sheriff to set up & test Zoom.
 - --Setup connection to Tax server for Cox & Company.

- --Discussions with Missy on issues with AT&T & US Cellular.
- --Two additional VoIP phones quoted/ordered/installed at the Recreation Center. Adjust auto attendant.
- --Get Courthouse floor plans for State vendor that will be running fiber.
- --Work with State vendor to run fiber from Clerk's office to Highway Patrol.
- --Work with VC3 & Missy on billing for Juniper renewals-we have not purchased Juniper devices from VC3. This was corrected.
- -- Make a list of unresolved issues with VC3 & submit ticket to have corrected.
- --Place Dell order for Recreation Center.
- --Work with Missy on multiple FY23-24 items.
- --Work with Dell & Finance on Dell past due invoice.
- --Work with Motorola, Missy & 911 Board on Motorola SUA amount that needs to be added to FY24-25 budget.
- --Discuss with Ricky & Randall the need for a ground wire on the CAD cabinet. Installed.
- --Setup work order link on Recreation pc & train Randy how to use.
- --Mobile Communications sync NetClock with 911 equipment.
- --Mediacom completed disconnection of Courtesy Account at Senior Center & add basic to County Account. Troubleshoot various issues.
- --Complete install of new Land Records pc for Tax Office.
- --Refurbish Tina Dunlow's pc to be used in Tax Office for connection to Elite. Troubleshoot issues.
- --Review agreement from BrightSpeed for fiber connection at Elections with Missy-sign & email.
- --Email info on FY2025 911 Grant to Curtis. Possible use for new building. Contact Kristen for additional info. Gather info for Laurie.
- --Work with Missy on \$7,397.99 credit due from VC3.
- --Issue connecting to AssessWeb from outside network-give to SSG & resolved.
- -- Check equipment received in Sheriff's office for Johnny Barnes-appears to be VINE.
- --Quote/Order/Install ups battery in 911 Center.
- --Work with AT&T on Landfill internet connection.
- --Troubleshoot issue with Curtis outgoing emails & Missy's incoming email from Health Dept. Discovered emails with Health Dept url was quarantined by O365. Contact Health Dept & let them know.
- -- Assist Southern Software with issue on Michele's pc.
- -- Troubleshoot issue with monitor in Tax office.
- --Attend Commissioner meeting and Departmental Meeting.
- --Attend County Manager group meetings.
- -- Check postage machine during the month to determine when postage is needed.

Project Update:

- Airfield Lighting Improvement Project
 - The contractors are on-site, and the project is actively progressing. The project includes the replacement of runway edge and runway threshold lighting, replacement of precision approach path indicator system (PAPI), replacement of runway end indicator lights (REIL), electrical vault modifications, and an existing beacon light fixture to be replaced.
- RPZ Obstruction
 - This project is currently under design. It consists of clearing approximately 33 acres of trees from the approach areas of Runway 3 and 21. The project includes design, permitting, bidding, CATEX, and grant assistance services. This project may include, but is not limited to, such construction elements as clearing, clearing and grubbing, erosion and sediment control, construction safety and phasing plans, turf restoration, and other similar construction items.
- AWOS
 - FAA approved Option 2 (NE of the hangers) for the location of the AWOS. The scope and fee for the project were submitted to Department Of Aviation on May 15th.

Other Activities:

- Ordered and received a split-load of Avgas fuel.
 - ➤ Contacted DOA about available AIG funds and followed up with Avcon to see if we had any projects in the works that would qualify for the AIG grant.
 - ➤ NCDEQ performed a Stormwater Permit inspection. NCDEQ conducted a Stormwater Permit inspection. Their report identified several violations that need to be addressed.

Participation in Meetings:

- > Monthly Department Head Meeting
- ➤ Conducted the Quarterly Airport Advisory Committee Meeting

Revenue Update:

- ➤ April Fuel Sales: \$2,793.30
- > Total fuel sales year-to-date: \$58,387.71
- ➤ Hangar Leases: Successfully collected 100% of our hangar lease payments, totaling \$15,600.

Washington County Board of Social Services Regular Meeting Minutes Tuesday, April 16, 2024

Attendance

- Board of Social Services: Julius Walker, Harry White, Ann Keyes, Wendy Furlough
- By Phone: Rona Norman
- Staff: Clifton Hardison, Cathy Ange, Kim Blevins and Lynn Swett

Call to Order
The monthly meeting of the Washington County Board of Social Services was held on Tuesday, April 16, 2024 at 9:00 AM. Mr. Walker, Chairman, called the meeting to order and welcomed

Additions/Deletions to the Agenda

Mr. Walker asked for any additions or deletions to the agenda. None were added.

Public Comments

None were given.

Consent Agenda

Harry White moved to approve the consent agenda that included the March 19, 2024 regular board meeting minutes. Wendy Furlough gave a second to the motion and the vote in favor of the motion was unanimous.

Riverlight Transit presentation

Kim Blevins presented the Riverlight Transit presentation. We have a fleet of eight vehicles. At the end of March, we got two new vehicles. When our vehicles reach 100,000 miles we are able to apply through a grant for new vehicles. We are fully staffed. We run our routes Monday through Friday. We do dialysis, medical appointments, trips for the Senior Center, etc. We are hoping to add shopping trips to our routes. That is in the works. We have had no accidents in the past five years. We strive to be as safe and reliable as possible.

Budget Presentation

Lynn Swett presented the Budget presentation. We are replacing our server. The estimate for the new server is \$9300 and when the software is added to it, it will run around \$10,000. The travel and training line will increase as in-person training has opened back up. We are requesting \$28,000 to replace the Ford fusion vehicle. It will be a 50% reimbursement. It has 165,000 miles on it and needs to be replaced. Due to Medicaid expansion, we are requesting to reclassify one of the child support positions that is currently frozen and turn that position into an Income Maintenance III position in the Medicaid unit. This new position would train on new policy and second party cases in Adult Medicaid. It will help prevent errors during audits. We are proposing to freeze the IT position and keep the contract we currently have with the person we are using. He comes two days a week and it has worked out great.

Director's Report/Informational Items

Administration: Friday will be Caroline's last day in the agency. We're having a reception for her on Friday and the Board is welcome to attend. We're requesting to freeze the Computer IT position and continue using the contractor we're currently using. He comes two days a week. Jackie Bell gave in her notice. She is moving to Charlotte with her daughter. We have

approximately eight applications for the housekeeper position. We have interviewed for the Income Maintenance supervisor position. We had three internal applications. We will hire someone this week. We had an incident with an employee yesterday where she passed out in the bathroom. Clifton talked to her last night and she is doing well now.

Food and Nutrition Services: Food Stamp statistics were reviewed.

Child Care: Child Care statistics were reviewed. We are continuing to pull children off the waiting list. We have 37 children on the waiting list at this time.

Medicaid: Medicaid and Program Integrity statistics were reviewed.

Children Services: Child Protective Services and Permanency Planning statistics were reviewed. We are currently working with a total of 25 children, all of them are in our custody.

Adult Services: Adult Services and Work First statistics were reviewed.

Energy Program: Energy Programs were reviewed.

Child Support: Child Support statistics were reviewed. Child Support is being managed by Young Williams.

Riverlight Transit: Riverlight Transit statistics were reviewed.

Director's PowerPoint presentation and spreadsheet reports are attached.

Other items: The next meeting for the Board is May 21, 2024 at 9 a.m.

<u>Adjournment</u> Ms. Furlough made a motion to adjourn and Ms. Keyes gave a second to the motion. There being no further business to come before the Board, Mr. Walker adjourned the meeting.

> Respectively submitted. Julius Walker, Chairman Submitted by Cathy Ange

Agenda Item 7: Consent Agenda

The consent agenda contains items that may be considered at one time and can be approved with one motion. These items may include the minutes of previous open meetings and closed meetings, budget amendments or other items that board members may deem to be approved with little or no discussion.

- Board members may add, delete or change any items that appear on the consent agenda. If any board member desires to discuss or vote separately on any item placed on the consent agenda, the item may be removed and placed on the regular agenda.
- If board members agree with the items placed on the consent agenda and they do not desire to discuss or remove any of the items, all of the items on the consent agenda may be approved with one vote. The consent agenda may be approved as presented with one motion. A second to the motion is required and the board will need to vote on the motion.
- If corrections must be made to Closed Session meeting minutes, a Closed Session will be needed to discuss them. If there are no corrections, the motion approving the minutes of the Regular Session minutes will also include the Closed Session minutes.
- Items on the consent agenda may be acted and voted upon individually also. The board will decide
 whether or not to consider consent agenda items individually.

WASHINGTON COUNTY BOARD OF COMMISSIONERS AGENDA STATEMENT

ITEM NO: 10

DATE: June 3, 2024

ITEM: Closed Session

SUMMARY EXPLANATION:

A Closed Session has been scheduled pursuant to NCGS §143-318.11(a)(3) (attorney-client privilege) and NCGS §143-318.11(a)(6) (personnel).

May 6, 2024

The Washington County Board of Commissioners met in a regular meeting on Monday, May 6, 2024, at 6:00 PM in the Commissioners' Room, 116 Adams Street, Plymouth, NC. Commissioners Tracey A. Johnson, Ann C. Keyes, Carol V. Phelps, John C. Spruill and Julius Walker, Jr. were in attendance. Also, present were County Manager/County Attorney Curtis S. Potter, Clerk to the Board Julie J. Bennett and County Finance Officer Missy Dixon.

Chair Keyes called the meeting to order. Commissioner Walker gave the invocation. Commissioner Phelps led the Pledge of Allegiance.

ADDITIONS/DELETIONS:

<u>Commissioner Spruill made a motion to approve tonight's Agenda.</u> <u>Commissioner Walker seconded; motion carried unanimously.</u>

CONSENT AGENDA:

Items listed under Consent are generally of a routine nature. The Board may take action to approve/disapprove all items in a single vote. Any item may be withheld from a general action, to be discussed and voted upon separately at the discretion of the Board.

- a) Regular Session Minutes: April 1, 2024, and Closed Session Minutes for December 4, 2023; January 8, 2024; February 5, 2024, and March 4
- b) Tax Refunds, Releases & Insolvents
- c) RESO 2024-015 Proclamation for EMS Week
- d) Interlocal Building Inspector Agreement between Washington County & Tyrrell County and RESO 2024-016 Approving Interlocal Agreement between Washington County & Tyrrell County
- e) RESO-017 Raising Uniform Guidance Thresholds
- f) Auditor Contract
- g) Letter of Support for Mid-Currituck Bridge
- h) Organizational Chart

Mr. Potter said Item d) had one typo error. On page 2, Washington was changed to Tyrrell. (The change has been made by the Clerk on the original for signature.)

Commissioner Phelps made a motion to approve the Consent Agenda Commissioner Johnson seconded. Motion carried unanimously.

<u>PUBLIC FORUM:</u> Mr. Jimmy Jones, Cardinal Lane, told the Board this has been talked about since 1909 [what he said]. Still wants the State to take over Cardinal

Lane. He wants Chair Keyes to call a meeting with some residents. Chair Keyes said someone will get back with him.

<u>BOARD OF EQUALIZATION AND REVIEW:</u> Ms. Bennett, Clerk to Board swore in the Commissioners as the Board of Equalization and Review. Ms. Wilkins, Tax Administrator stated she has no appeals at this time.

Commissioner Johnson made a motion to recess the Board of E&R to May 20, 2024, at 6:00 PM in the Commissioners' Room, 116 Adams Street. Commissioner Phelps seconded. Motion carried unanimously.

<u>PK-12 CHANGE ORDER #6:</u> Mr. Potter, CM/CA spoke to the Board regarding change order #6 for the PK-12 school. This change order is regarding the low voltage panel.

Commissioner Spruill asked if the school board has signed this change order. Mr. Potter said yes. Commissioner Spruill said he was disappointed that this item was taken out of the original quote on the school and that it has taken so long for it to arrive.

Commissioner Spruill made a motion to approve the PK-12 Change Order #6. Commissioner Walker seconded. Motion carried unanimously.

QUASI-JUDICIAL PUBLIC HEARING: SPECIAL USE PERMIT FOR WILKINS MEMORIAL GARDENS: Ms. Bennett, Clerk to the Board, swore in the Commissioners as the Board of Adjustment.

<u>Commissioner Johnson made a motion to open the quasi-judicial hearing.</u> <u>Commissioner Phelps seconded; motion carried unanimously.</u>

Mr. Potter went over the procedures for a quasi-judicial hearing. See below.

Procedures for Quasi-Judicial Hearing for

Special Use Permit ("SUP"):

I. MOTION to go into Public Hearing to hold a quasi-judicial hearing on the following case:

<u>SPECIAL USE PERMIT APPLICATION</u> filed by <u>Louis Wilkins Enterprises</u>, Inc on <u>3/7/24</u> seeking a Special Use Permit pursuant to <u>Article 3A</u>, <u>Subsection C(J)</u> of the Washington County Zoning Ordinance to: <u>build a proposed 100 grave cemetery on property</u> located off Cypress Shores Road Roper, NC 27970 (PIN: 7810.00-61-2602.

- II. INSTRUCTION RE QUASI-JUDICIAL PROCEDURE (Attorney/Planning Director)
 - Special Use Permits are governed by NCGS 160D and Article 5 of the Washington County Zoning Ordinance. NCGS 160D-406 and 160D-705 require the use of quasi-judicial procedures during public hearings held to consider such matters.
 - 2. Quasi-judicial proceedings are different than other public hearings in that not everyone has the right to present evidence before this Board and to become a party to this proceeding. A Quasi-judicial proceeding is much like a court proceeding where an individual's rights and interests are being decided under specific rules of procedure. Parties to this case have the right to present evidence and cross examine witnesses. The burden of proof in these cases typically lies with the Applicant. The extent to which the Rules of Evidence used in courts apply is up to the discretion of the Board.
 - 3. Only those who can demonstrate that they will be affected by the outcome of the hearing may become parties. After a description of the person's interest in this case, the Board will determine whether they will be allowed to present evidence as a party. Please note, you do not have to be a party to testify if someone who is a party calls you as a witness. All parties and witnesses who intend to present evidence or testify before this Board must be sworn in.
 - As a quasi-judicial hearing, by law it must adhere to certain procedures, as there are legal standards that must be followed. To that end please consider the following:
 - A. The Board must base its decisions only on the evidence presented, including testimony given under oath or affirmation by any parties or witnesses called by a party.
 - B. Please limit testimony to facts relevant to the application and applicable legal standards for the Board's decision, what you know personally; no opinion testimony or hearsay.
 - C. Parties may cross-examine each testifying party or witness after their testimony if there are any questions. Cross-examination shall be limited to the matters testified about during the original testimony.
 - D. If you want the Board to see written evidence such as reports and maps or exhibits, the witness who is familiar with the evidence should ask that it be introduced during or at the end of his/her testimony.

E. In order for the testimony to be considered as evidence used in making the decision, it can only be given by persons in attendance at the meeting; otherwise, it is considered hearsay.

III. BOARD CONFLICTS OF INTEREST: (Board Chair or designated Speaker)

It is also important that the members of the Board of Adjustment consider and make sure that they do not have any conflicts of interest with serving as a member of the decision-making body for purposes of hearing and ruling on this particular case. Therefore, the following questions should be considered by each member and any potential conflicts should be voiced, discussed, and resolved if possible or otherwise result in recusal of any member with such a conflict by the other members of the Board.

- does any member of this body have any interest in the property or the application, or do they own property in close proximity to the subject property;
- does any member of this body stand to gain or lose any financial benefit as a result of the outcome of this hearing;
- does any member of this body feel they cannot hear and consider the application in a fair and objective manner;
- 4. has any member of this body engaged in any ex parte communications with either proponents or opponents of the application, and, if so, I ask you to place on the record the substance of any such communications so that interested parties have the opportunity at this hearing to rebut the communications.
- 5. Are there any members of the audience who wish to challenge on appearance of fairness grounds participation in the matter by any member of Council, including the reasons for the request?

IV. INSTRUCTION RE SPECIFIC REVIEW STANDARDS: (Attorney/Planning director)

Article 5 of the Washington County Zoning Ordinance is available online in its entirety for reference. Certain relevant excerpts are pasted below for reference/convenience:

1. Purpose and Intent: Special use permits add flexibility to the Zoning Ordinance by allowing uses which would otherwise be undesirable to be established in designated districts under conditions imposed by the Board of Commissioners. Such permits are authorized under the terms of this article to provide for certain uses which cannot be well adjusted to their environment in particular locations in Washington County with full protection offered to surrounding properties by only the application of the underlying zoning district regulations. Further, special permit uses are those uses which, if not specially regulated, can have an undue impact on or be incompatible with other uses of land within or adjacent to a given zoning district. Based on the recommendation of the Planning Board, and upon the granting of a special use permit by the Board of Commissioners, these uses may be allowed to be located or expanded within given designated zoning districts under the standards, controls, limitations, performance criteria, restrictions and other regulations of this article.

2. General Standards and Criteria for Special Use Permit Review: <u>All applications for special use permit shall be reviewed using the following criteria:</u>

 The proposed use shall be:
--

Α	In harmony with the adopted Land Use Plan and the Growth Opportunities Plan;	
В	In harmony with the adopted Land Use Plan and the Growth Opportunities Plan;	
С	In harmony with the character of adjacent properties and the surrounding neighborhoods and also with existing and proposed development.	

2	The proposed use shall be adequately served by essential public services such as			
	streets, drainage facilities, fire protection and public water, and sewer facilities,			
	where applicable.			
3	The proposed use shall not result in the destruction, loss or damage of any			
	feature determined to be of significant ecological, scenic or historic importance.			
4	The proposed use shall be designed, sited and landscaped so that the use will			
	not hinder or discourage the appropriate development or use of adjacent			
	properties and surrounding neighborhoods.			
5	The proposed use does not affect adversely the general plans for the physical			
	development of the County as embodied in these regulations and in any plan or			
	portion thereof adopted by the Planning Board.			
6	The proposed use will not affect adversely the health and safety of residents and			
	workers in the County.			
7	The proposed use will not be adversely affected by the existing uses.			
8	The proposed use will be placed on a lot of sufficient size to satisfy the space			
	requirements of said use.			
9	The proposed use will not constitute a nuisance or hazard because of the			
	number of persons who will attend or use said facility, vehicular movement,			
	noise or fume generation or any type of physical activity.			
10	The standards set forth for each particular use for which a permit may be			
	granted have been met.			
11	The Planning Board or Board of Commissioners may impose or require such			
	additional restrictions and conditions as may be necessary to protect the health			
	and safety of workers and residents in the community and to protect the value			
	and use of property in the general neighborhood.			
12	The proposed use will not be contrary to the purposes stated for these			
	regulations.			
13	Whenever the Board of Commissioners shall find in the case of any permit			
	granted pursuant to the provisions of the regulations that any of the terms,			
	conditions or restrictions upon which such permit was granted are not being			
	complied with, said Board shall rescind and revoke such permit after giving due			
	notice to all parties concerned and granting full opportunity for a public hearing.			

- Special Conditions: In granting any special use permit, the Board of Commissioners may impose any reasonable standards or conditions deemed necessary to protect the public interest and welfare. These may include but need not be limited to:
 - a. More restrictive sign standards.
 - b. Additional open space, landscaping or screening requirements.
 - c. Additional yard requirements.
 - d. Special lighting requirements.
 - e. Time limitations on hours of operation.
 - f. Additional off-street parking and loading requirements.
 - g. Additional utility, drainage, and public facility requirements.
 - h. Additional right-of-way and public access requirements.
 - i. Additional requirements to ensure compatibility with the Land Use Plan.
 - j. Conditions for renewal, extension, expiration, and/or revocation of the permit.
- 4. <u>Action by Planning Board</u>: No special use permit shall be approved unless the proposal has been reviewed by the Planning Board. The Planning Board shall conduct at least one (1) public hearing in accordance with this Ordinance. Following the public hearing, the Planning Board shall prepare and by motion adopt its recommendations, which may include changes in the applicant's original proposal resulting from the hearing, and shall report such recommendations, together with any explanatory material, to the County Commissioners.
- 5. <u>Action by Board of Commissioners</u>: Before approving a special use permit, the Board of Commissioners (acting as the Board of Adjustment) shall hold at least one (1) public hearing in accordance with this Ordinance after which the Board of Commissioners may make appropriate changes to or impose appropriate conditions upon the proposed special use. Nothing herein shall preclude the Board of Commissioners from holding a joint public hearing with the Planning Board.
- 6. Other MISC Procedural Matters:
 - Any public hearing conducted on this matter may be continued to a later specific date, time, and location as deemed necessary by the Board.
 - b. If deemed reasonably necessary by the Board, one or more physical site visits may be arranged in accordance with applicable laws and reasonable safeguards to insure no conflicts of interest or unfair advantages are created as a result thereof for any Board member, applicant or any other interested party.
 - A concurring vote of a <u>majority</u> of the members of Board of Commissioners shall be required to approve a special use permit.
 - d. Unless otherwise directed, staff will prepare a written order within five (5) business days reflecting the relevant findings of fact and conclusions of law supporting and final decision of the Board in this hearing. The Clerk shall circulate a draft for signature approval by a majority of the Board members voting in this matter to grant or deny the permit. After receiving enough signatures, the Order shall be certified and entered in the Board's records as its "Final Order" in this matter. The Clerk shall provide notices thereof as required by applicable law.

- B. Applicant: The applicant may come forward at this time and present their testimony and evidence to support the application if so desired. Any specific written documents, surveys, pictures, or other evidence, and/or any expert witness testimony you would like to have considered should also be clearly identified and presented at this time.
 - [Commissioners should ask questions at this time]
 - [Cross Examination if applicable]

- C. Other Legitimate Parties with Material Interest in the Case: (if applicable) may come forward at this time and present their testimony and evidence to support or oppose the application if so desired at this time. Any specific written documents, surveys, pictures, or other evidence, and/or any expert witness testimony you would like to have considered should also be clearly identified and presented at this time.
 - [Commissioners should ask questions at this time]
 - [Cross Examination if applicable]

- D. Closing Statements and/or Rebuttals: Are there any closing statements or any last rebuttal comments from:
 - Staff
 - Applicant
 - Other Legitimate Parties
- E. Board Q&A: Are there any final questions from the Board for any of the parties, or any additional critical information the Board feels is required before it can begin deliberations on this matter in order to reach a final decision?

VII. <u>DELIBERATION & DECISION</u>: As a reminder, this Board is tasked with deciding if, based on the evidence actually presented, this proposal meets the applicable standards reviewed earlier in this hearing. Your decision should not be based on personal preferences/opinions.

FIRST	Review the applicable specific legal standard(s) again in Article 5(B)		
SECOND	Collectively identify which facts or specific items of evidence (including testimony) were most important to determining whether the proposed special use of property met the applicable legal standard(s).		
	[Specific facts/evidence which impacted your decision should be itemized and described briefly below]		
	-		
	-		
	-		
	-		
THIRD	Collectively discuss whether any special conditions upon the proposed use of the property should be required for the applicant's proposed special use to better meet or satisfy the applicable legal standard(s). [Specific conditions, if any, should be itemized and described briefly below]		
	-		
	-		
FOURTH - VOTE	After careful and deliberate consideration of all the relevant facts and evidence presented in this matter, you may Vote:		
To Continue	If you believe a continuance is needed	MOVE TO CONTINUE THE HEARING (Include the specific location, date,	
To Deny	If you believe the Applicant generally does NOT meet the applicable legal	and time in the motion) MOVE TO DENY THE PERMIT	
or			
To Approve	If you believe the Applicant generally meets the applicable legal standards (or would meet them under certain conditions)	*(if applicable, describe any conditions in the motion)	
To Continue			

VIII. MOTION TO ADJOURN THE PUBLIC/QUASI JUDICIAL HEARING (UNLESS CONTINUED)

Ms. Bennett asked if there were there any Witnesses/Parties in attendance.

Mr. Allen Pittman, Planning & Safety Director; Mr. Louis Wilkins, Roper; Mr. James H. Wilkins, Roper and Mr. Brandon L. Wilkins, 2720 US HWY 64 W, Plymouth were in attendance. Ms. Bennett swore them in.

The were no comments from the board. Chair Keyes said she knows there are no wells within the gravesites. Commissioner Phelps asked would this be used as a family cemetery. L Mr. Wilkins said yes, and members would pay by block for the upkeep.

Mr. Pittman asked to enter into evidence an overlay map of the property. Commissioner Johnson approved and Commissioner Phelps seconded.

Chair Keyes asked Mr. Wilkins if he had any questions. He said he did not.

<u>Commissioner Spruill made a motion to approve the Special Use Permit for Wilkins Memorial Gardens be approved and filed with the Cemetery Commission. Commissioner Phelps seconded; motion carried unanimously.</u>

WASHINGTON COUNTY RECOMMENDED FY25 BUDGET PRESENTATION: Mr. Potter read his budget message below.

FY25 BUDGET MESSAGE

TO: Washington County Board of Commissioners

FROM: Curtis S. Potter, County Manager/County Attorney & Budget Officer

RE: Budget Officer's Recommended Budget for July 1st, 2024, to June 30, 2025

("FY25")

DATE: May 6, 2024

In accordance with the North Carolina Local Government and Budget Fiscal Control Act, as the County Manager and Budget Officer of Washington County, I hereby submit this Budget Message to the Board of County Commissioners of Washington County for its review and consideration together with the recommended budget for the upcoming fiscal year identifying revenue and expenditure estimates, and making line item and departmental recommendations to allocate funds based on those estimates, departmental funding requests, and other information gathered from a wide variety of internal and external sources.

The overall budget presented seeks to balance and meet the needs of county citizens in a manageable and cost-effective manner. Any increases or decreases in revenues or expenditures within the recommended budget are based on researched justifications, and held to a manageable level within individual departments to the fullest extent possible. Any major exceptions to this

will be highlighted in this message, and in the Recommended Budget Notebook and materials presented to you for your review.

Budget Development Process:

The budget development process began this year with the presentation and adoption of the budget calendar in December of 2023 followed by a Budget Planning Workshop held by the Board of Commissioners and staff in January of 2024.

A Budget Kickoff message and Budget Request Forms and Instructions were made available to all county departments and other partner agencies receiving regular funding from Washington County on or about February 7th, 2024. Budget Request Forms were due to the County Manager by March 1st, 2024. Several departments and agencies were unable to meet this deadline, but this did not cause any significant delays in the overall process this year.

As noted in previous budget messages, in my experience as a Budget Officer, the practical ability to physically meet and engage in personal physical budget discussions is vitally important to developing a more accurate and complete budget for the upcoming fiscal year. This is particularly true in small rural county's with limited administrative support staff and less efficient budget preparation resources compared to larger jurisdictions.

With only a few limited exceptions, both the County Manager and Finance Officer were able to meet in person, at least once, with each department head and/or major outside agency representative, to review departmental/agency requests, and prepare the proposed budget for the upcoming fiscal year.

The information in this message contains major budgetary highlights and comments organized and broken down primarily by the applicable funds from which each budget is allocated following the same numerical order contained within the county's chart of accounts and financial statements. Toward the end of this message, additional information is provided related to each of the following categories:

- Capital Improvement Plan ("CIP")
- Personnel (Salaries, Benefits, and Modifications)
- Other Items
- Conclusion

1. General Fund Revenues, Allocated Fund Balance, & Expenses:

- a. <u>Introduction</u>: The General Fund (sometimes referred to herein as the ("**GF**") is the largest and primary operating fund of the county from which the overwhelming majority of all governmental operations are funded.
- b. <u>GF Revenues</u>: Revenues of the GF are primarily generated from ad valorem property tax collections, sales tax receipts, motor vehicle tax receipts, various

fees, fines, grants and limited shared revenues received from the State of North Carolina.

i. According to the Washington County Tax Department, based on information available as of mid-April, the county's Total Tax Base (including real and personal property, public utilities, and motor vehicles) for the upcoming fiscal year is projected to be \$1,041,300,000 which is just slightly larger than the current fiscal year's tax base of \$1,040,459,553, but a 9% increase compared to the prior fiscal year's tax base of \$956,400,821 due primarily to the addition of a new solar farm.

However, for procedural reasons the new solar farm failed to file for certain tax exemptions on time and incurred a substantially larger than anticipated first year tax bill of over \$1.3M which was due before the end of the prior fiscal year, but went unpaid resulting in the County's overall tax collection rate falling from over 95% to just over 80% for the fiscal year ended June 30, 2023 as reported in our audit.

Just recently we are pleased to report that this same taxpayer has entered into a Tax Repayment Agreement with the Washington County Tax Collector and made their first installment payment just before this budget message was prepared. Pursuant to the terms of the agreement, the Tax Collector anticipates that the taxpayer will catch up on paying all overdue taxes owed by the end of the upcoming fiscal year.

While we are excited the taxpayer has agreed to begin making payments, and hopeful that they will continue doing so until fully caught up, due to the unusually large size of the tax debt in this single account, until that occurs, there are various aspects of both the tax collection rate and certain budgetary line items which will remain skewed.

For example the revenue figures for prior year tax collections and interest will appear grossly overstated in the presented budget when compared to historical collections in these same lines. Additionally the amount of fund balance allocated to balance the total revenues against all anticipated expenditures in the general fund will appear much smaller than recent years due in part to the fact that we are relying on the anticipated repayments to be made by the taxpayer to balance the upcoming fiscal years budget, but also due in part to an overall reduction in the amount of capital outlay expenditures which were higher in recent years during a multi-year period of utilizing certain pandemic recovery funds to tackle a wide variety of capital improvement projects. Many of those projects are shown as "completed" in the CIP section of the budget presented tonight for your reference.

It should be noted that if the tax payer breaches the repayment agreement or fails to make most of the payments anticipated to be collected in the upcoming fiscal year, the County will inevitably end up having to rely on an additional appropriation of general fund balance to cover the difference temporarily.

- ii. The Total Tax Base is anticipated to increase only \$840,447 consisting as follows:
 - a. \$659,553 reduction in the Real & Personal Property portion of the tax base due in large part to the same solar farm taxpayer listing 80% of their assets as tax exempt as permitted by NC law, compared to not doing so the prior fiscal year.
 - b. \$500,000 decrease in the Public Utilities portion of the tax base most likely due to depreciation.
 - c. \$2,000,000 increase in the Motor Vehicles portion of the tax base.
- iii. <u>Tax Rate Projection</u>: The currently assessed Ad Valorem Tax Rate of \$0.840 cents per \$100 of assessed property value is recommended to be maintained at the same* rate for the upcoming fiscal year to continue adequately funding county operations.
 - a. *Note the special comments within the School Capital Outlay section of this message with respect to the potential impact of significant debt service on the future tax rate.
 - b. Also note that the currently assessed Special Tax rate of \$.01 cent per \$100 of assessed property value for Watershed Improvement (as authorized by voter referendum held on May 6, 1972, and levied in addition to the general ad valorem tax rate) is recommended to be maintained at the same rate for the upcoming fiscal year.

Revenues from this special tax do not support the General Fund, but instead are restricted for use exclusively to adequately fund and manage watershed drainage systems and projects throughout Washington County.

- c. As a result of the changes in the overall Total Tax Base, and based on the proposed Tax Rate, the projected per penny ad valorem tax collection amount is expected to increase by \$167 from \$99,738 this current fiscal year, to \$99,905 for the coming fiscal year. This should equate to an overall increase of \$14,036 in ad valorem tax revenues collected next fiscal year compared to the current fiscal year.
- d. The tax rate projections for the upcoming fiscal year are based on collecting an estimated 95.00% of all assessed real and personal

property values, as well as 100% of all public utilities and motor vehicle values. In accordance with applicable law, these collection rates are based on the actual tax collection rates from the prior fiscal year, which was 80.15% overall, but would have been 96.51% but for the nonpayment of one outlying taxpayer account.

- iv. Approximately \$18.6M is estimated to be the total General Fund revenues for all taxes, programs, and other activities for the upcoming fiscal year BEFORE the allocation of additional available unassigned fund balance from the General Fund which may be needed to balance total revenues against the total GF budget.
- v. Note that for the upcoming fiscal year, an additional \$300k per year is expected to be received from Article 46 Local Option Sales Taxes following the successful passage of a recent referenda to authorize such tax and the Board's final approval to implement it beginning at the start of the upcoming fiscal year.
- vi. A line item by line item comparison of the recommended revenues for the upcoming fiscal year to the current fiscal year's budget as of 3/7/2024 (about 66% of the fiscal year), as well as to the actual revenues received last fiscal year is included in the "Revenues" Tab of your Recommended Budget Notebooks.
- c. Allocated GF Fund Balance & CIP Items: The total GF budget for all county operations and debt service requirements totals approximately \$19.2M compared to the current fiscal year's amended budget of \$18.5M (as of the date of this Memo), and is balanced against projected revenues and total projected expenses by relying upon an allocation of approximately \$0.5M in unassigned fund balance compared to the current fiscal year's much larger allocation of \$1.9M. This amount is shown in the "Revenues" Tab of your Recommended Budget Notebook as additional revenue for the upcoming fiscal year.
 - i. Although the amount of GF fund balance currently recommended to be allocated is substantially smaller than the amount allocated in the current fiscal year, it still represents a considerable portion of the overall available unassigned GF fund balance, and should be carefully reviewed prior to approval.
 - a. To assist in this effort, management has summarized a variety of larger expenditures and CIP Items which are recommended to be funded from the GF fund balance for the upcoming fiscal year.

This summary can be viewed at the bottom of the last budget sheet in the "Revenues" Tab of your Recommended Budget Notebook.

b. Note that many of these items represent a continuation of funding for CIP items that were funded in the current fiscal year but have not yet been completed, or in some cases initiated, while others represent new funding for new CIP items. You can also refer to the "CIP" Tab of your Recommended Budget Notebook where you will see the items for which funding is being allocated in the upcoming fiscal year highlighted in blue.

c. CIP recommendations for the upcoming year include:

0	\$500k	Complete repairs to courthouse
	stormwater/e	levator

o \$112k Replace 2 Sheriff's Vehicles

o \$60k Roof/HVAC Replacement Capital Reserves

o \$40k IT Server Relocation and Switch

Replacement

o \$38k Replace 1 DSS Fleet Vehicle

o \$35k Purchase 2nd Shared Use Fleet Vehicle

\$20k each Replace Elections Laptops / Jail
 Painting/Flooring

o \$15k Playground Fencing in Recreation

\$10k
 Annual PARTF Grant Match Contribution

- d. <u>GF Expenditures</u>: General Fund expenditures encompass most of the major governmental operations of Washington County including: education (except capital outlay), public health, human services, law enforcement, firefighting services, transfers to EMS (which is technically part of the general fund but is accounted for in a separate Fund 37), general debt and most other general governmental services.
 - i. Approximately \$17.7M is recommended as the total GF expense amount to be allocated for the upcoming fiscal year. This amount is broken down into subtotals by department/category in a relatively short budgetary comparison spreadsheet provided under the "Budgetary Comparison" Tab of your Recommended Budget Notebook.

The proposed budget for each department/category is further itemized in separate budget spreadsheets that can be found at the front of each separate TAB of your Recommended Budget Notebook corresponding to the applicable department, agency, or category. There is a Table of Contents provided for your reference and convenience to find individual departments or funds.

- e. Special General Fund Notes for the Upcoming Fiscal Year:
 - i. Separation of certain capital reserves for future capital expenditure: Over the past few years the Board has approved an annually recurring allocation of \$40k and \$20k which has been rolled forward from each year to the next to accumulate and build a growing reserve for eventually guaranteed future roof repairs/replacement and HVAC repairs/replacement.

Management has determined it would be a better practice to transfer these funds completely out of the general fund to permit them to accumulate as part of another fund's restricted/assigned fund balance in the same manner which \$10k per year has been allocated for many years in the general fund and transferred to the Projects and Grants Fund (Fund 58) to accumulate for an eventual PARTF recreation grant match.

After considering the pros and cons of creating yet another separate fund just to hold this relatively small for now amount of capital reserve funds, for the upcoming fiscal year and continuing thereafter until circumstances warrant a different solution, management recommends the annual amount traditionally allocated for roof/hvac capital reserves be transferred to the existing (Fund 58).

A budget amendment will be brought to the Board prior to the end of the current fiscal year to authorize the transfer of the current accumulated balance of reserve funds from the general fund to Fund 58 to which next year's annual allocation will be added.

- ii. <u>Fire Protection</u>: To support the continued provision of fire protection services throughout the county, I recommend an allocation of \$399,620 which is calculated at exactly \$.04 collected cents per \$100 of assessed property value. This represents an increase of \$668 over the current fiscal year.
- iii. <u>Transfers Out of the General Fund</u>: Several larger than usual transfers out of the General Fund are recommended for the upcoming fiscal year including the following:
 - a. \$700,000 to Fund 21 to cover negative cash flow anticipated in that fund as a result of the County making its first \$1.8M debt service payment for the loan received in the prior fiscal year to assist with constructing the new consolidated PK12 school.
 - b. \$450,000 to Fund 40 to continue setting aside adequate reserves to fund the liabilities of the Washington County Hospital Pension Plan.
 - c. \$399,620 to be transferred to the EMS Fund representing a continuation of four cents anticipated revenue to help operate the EMS system.

- d. \$99,905 to the Airport Fund representing a continuation of one cents anticipated revenue to help operate the Airport.
- e. \$50,000 to the Sanitation Fund to help offset rising scrap tire costs.
- f. \$40,000 to the Tax Revaluation Fund.
- g. \$70,000 to the Special Projects & Grants Fund (Fund 58) to make a new annual contribution of \$60,000 to be held in Fund 58 for future roof/hvac capital reserve purposes, and to continue making an annual \$10k contribution toward an eventual PARTF grant local match requirement. For the upcoming fiscal year the total accumulated funds for this purpose will reach \$69,226.
- iv. <u>Contingency Recommendation</u>: \$50,000 is requested for contingency purposes to permit the Budget Officer to more efficiently deal with unexpected expenses or emergencies during the upcoming year, and to help prevent delayed services or operational interference that may otherwise result without the availability of such funds. All transfers from contingency are transparently reported to the Board per applicable policy at each Board meeting after any such transfers.

- 2. Enterprise Fund Revenues, Expenditures, and Operations: Several major county services are operated from self-sustaining enterprise funds (also known as proprietary funds). These include the landfill/sanitation fund (also known as the solid waste fund), the water fund, and the emergency medical services fund (although technically this last fund which relies heavily on annual transfers from the general fund is providing governmental rather than proprietary services, and from an auditing standpoint is considered and counted as part of the total governmental services funded through the general fund).
 - a. Solid Waste Enterprise Fund (33) Approximately \$1.68M is allocated for total Solid Waste Fund revenues and expenditures for the upcoming fiscal year compared to the current fiscal year budget of \$1.66M. The nominal difference is attributable to a \$50k allocation for replacement of the primary dump truck offset by higher revenues.
 - i. Solid Waste revenues are derived from household solid waste user fees, town solid waste user fees, regional commercial landfill disposal fees, construction contractors' disposal fees, penalties and interest, white goods and scrap tire disposal fees. The costs to comply with the largely unfunded scrap tire mandates established by law appear to have finally stabilized this year after drastically increasing in FY23. However they continue to run at more than double the historical costs prior to FY23. The County will continue to seek legislative support and is actively lobbying to modify the current method of distributing scrap tire tax revenues to help alleviate these increases in price driven largely by a lack of competition in the scrap tire recycling market.
 - ii. Revenues are based upon a proposed \$15 increase in the solid waste user fee (SWUF) from \$335 per household this fiscal year to \$350 per household next fiscal year equal to an approximately 4% increase.
 - An equivalent \$2 increase in the municipal availability fee from \$44 to \$46 is also recommended. This fee is charged to the Town of Plymouth (which does not pay a SWUF) to provide local C & D Landfill access to town account owners on the same basis as county account owners.
 - iii. The SWUF is used to adequately fund the solid waste proprietary enterprise fund. It covers costs associated with both curbside pickup services (which are anticipated to remain at the same rate this year but dramatically increase in the following years thereafter), and regional landfill tipping fees which are anticipated to increase in costs by 3.09% this year compared to 6.41% last fiscal year. In addition it is used to help

- fund the general availability and operation of the local County C&D Landfill.
- iv. Historically the SWUF was last raised a year ago from \$300 to \$335, and before that three years ago from \$275 to \$300 per household. It had not been raised for at least 4 years before that. Recent fiscal year's budget messages warn that an increase in this fee was anticipated to be needed in the upcoming fiscal year's budgets even before the unprecedented rise in scrap tire compliance costs. To help alleviate the pressure caused by those costs, \$50,000 was recommended to be transferred from the GF to the solid waste fund in the current fiscal year as a one time supplement. That recommendation is repeated for the upcoming fiscal year.
- v. Due to its ongoing distressed condition, for the upcoming fiscal year, no transfers out of this fund for cost allocations to the GF are recommended.
- vi. The total amount of solid waste that can be tipped each year without charge in the C & D Landfill remains set at the current rate of 2,000 pounds of waste per account. Management recommends considering a further weight reduction once a viable option has been established to accept credit card payments by customers at the landfill which has been challenged by internet connectivity issues.
- vii. Careful attention should be paid to the ongoing financial performance of this fund, and efforts should be made to increase operational efficiencies and revenues wherever practically possible in order to try to sustain its operations without incurring recurring losses year after year.
- viii. CIP Project recommendations include:
 - \$50,000 to replace an old 1990 dump truck with over 260k miles
- b. Waterworks Enterprise Fund (35): Approximately \$1.8M in total Waterworks Enterprise Fund revenues and expenses are projected for the upcoming fiscal year compared to the current fiscal year budget of approximately \$2.1M.

Note that three large capital projects originally included in the budget for Fund 35 this fiscal year were transferred into the newly established Water Capital Projects Fund (Fund 36) mid-fiscal year.

- i. The projected operational revenues for this fund are based on a total of approximately 2,667 customers with an average usage of 3,600 gallons per month. Total combined revenues for water base and consumption charges are projected to increase by approximately \$20,000 from \$1.43M this fiscal year to \$1.45M next fiscal year.
- ii. Historically revenues from water sales have not kept pace with expenditures and long term utility system capital improvement needs, although net position of this fund has improved substantially over the last

few years. The State of North Carolina also recently created a Vulnerable Utility Reserve program which essentially scores every utility system in the state on a variety of metrics, and places lower scoring systems into a mandatory remedial training and action program commonly referred to as "VUR".

Washington County, along with all three municipal systems, and most other smaller rural jurisdictions has been placed in the VUR. As part of this process, the County anticipates undertaking a more formal rate review study in the next year or two.

iii. However, for the upcoming fiscal year, the Utilities Department recommends an immediate increase of \$2 per 1,000 gallons of water consumed over the base rate to help offset rising inflationary pressure on expenses, particularly for chemical costs related to treating the county water supply. No change in the base rate is presently recommended.

Most residents currently pay \$26 per month for the first 2,000 gallons of water consumed and \$13 for each 1,000 gallons thereafter. With the proposed increase, the monthly base rate would remain at unchanged and the consumption rate will increase to \$15.

Historically, other than a \$2 raise to the base rate this current fiscal year, there has not been a rate increase since FY16, when rates were raised in response to a letter of concern received from the LGC regarding the sustainability of the fund balance in this proprietary water fund.

iv. Water Fund Cost Allocations to the General Fund: Cost Allocations are justifiable expenses of one fund made for the benefit of another fund which are "allocated" to that fund within a formal Cost Allocation Plan.

In FY17 the cost allocations paid from the water system to the general fund were substantially reduced after internal restructuring of some water department staff and due to the concerns about fund balance which appear to have stabilized.

In FY18 and FY19 the cost allocations were increased again slightly based on the most recent cost allocation report available.

Since FY18, and continuing through the current fiscal year, a substantially lower cost allocation has been allocated from the Water Fund to the general fund based on the most recent cost allocation reports which typically run one year in arrears for each fiscal year, and are carefully tracked by management to monitor and maintain the separate integrity of the enterprise fund from the general fund, and to ensure that transfers between such funds are only made pursuant to justifiable actual cost allocation reports.

For next fiscal year a \$110k cost allocation is recommended.

- v. CIP Allocation recommendations include:
 - \$60,000 to replace a 2016 pathfinder with 100k miles with a more appropriate work body pickup.
 - \$197,000 to continue replacing 20% of the county meters annually.

- \$223,107 to replace the SCADA system which has already been procured.

c. Waterworks Capital Projects Fund (36):

This fund was created during the current fiscal year partially to comply with NC DEQ mandates related to VUR Grant funded projects. The three projects presently budgeted in this fund include a \$5,472,000 grant to undertake the long-discussed expansion of the main waterlines from Roper to Pea Ridge, a \$970,000 grant to repair and improve interconnections between the county system and municipal system with the Town of Roper, and a \$237k asset inventory assessment.

d. Washington-Tyrrell Emergency Medical Services (EMS) FUND (37):

Despite constant challenges, Washington County EMS doing business as Washington-Tyrrell EMS continues to successfully fulfill its emergency medical services mission to the county's citizens. Washington County operates emergent and non-emergent (transport) services to the county's residents. Washington County EMS also operates emergency services through a contract with Tyrrell County for their citizens.

- i. The primary sources of revenues for emergent and non-emergent services are Medicare, Medicaid, private insurance and private pay patients as well as additional funds from Tyrrell County for operating its EMS program. These revenue sources do not provide enough revenue to fully cover all county EMS operational expenses. For that reason, the county has historically been compelled during previous fiscal years, as well as the current fiscal year, to make a general fund transfer to the EMS Fund to compensate for expenses not reimbursed by the sources cited above, as well as to maintain a fiscally responsible fund balance in this sometimes-volatile fund caused by unpredictable fluctuations in calls for service which makes accurate predictions of revenue streams difficult to forecast. The fund balance is also often impacted periodically from high capital outlay costs associated with replacing expensive medical ambulances and equipment.
- ii. Considerable review and evaluation of current EMS operations have been performed over the past decade in an effort to lower expenditures and lessen reliance on county general funds. After implementing a fluctuating workweek schedule for staff to reduce overtime costs, changing billing companies to improve collection rates, and franchising point to point non-emergent medical transport, the EMS system has undergone a noticeable improvement but still requires a regular transfer of general fund revenues, although that transfer is now much more predictable and manageable than in previous years due primarily to proactive fund balance management policies and strong departmental administration in recent years.

- iii. In FY19 after much discussion and analysis, it was determined that while the fluctuating work week assisted in temporarily controlling the unpredictable overtime expenses associated with previous shift schedules, that model was no longer considered a viable long-term option due to low recruitment, morale, and high turn-over as well as increased competition from surrounding jurisdictions that do not utilize that unpopular model.
- iv. While more expensive overall, the estimated additional expenses associated with eliminating the fluctuating workweek continue to prove largely accurate based on performance data. Similar estimates have been used for proposing to continue this staffing model for the upcoming fiscal year but will need to continue to be monitored closely in light of the inclusion of the EMS Department in the relatively recently adopted progressive pay plan system.
- v. Approximately \$2.4M in total EMS and Transport revenues and expenditures are projected for the upcoming fiscal year which is approximately the same as the current fiscal year. Of the total \$2.4M in projected revenues, approximately \$1.9M is anticipated to be received from outside revenue sources, while \$399,620 is anticipated to be transferred to EMS from the General Fund representing 4 cents (\$0.04 cents) of projected collected ad valorem tax revenues. An additional appropriated fund balance from the EMS Fund of \$174,748 is recommended primarily to balance the fund against projected expenses and to help fund several CIP items including: \$25,000 to replace an 11 year old stretcher. Although CIP Allocations in this fund are much lower this year than prior years, it should be noted that some CIP purchases were made in advance during the current fiscal year, and a number of larger CIP items are anticipated in future years to begin replacing aging ambulances.

3. Other Miscellaneous Fund Budgets:

- a. Washington County Schools Current Expenses (GF) and Capital Outlay (
 Fund 21): Educational funding makes up one of the largest recurring expenses for the County and is typically divided into two primary categories being an annual allocation of operational funding for current expenses from the County's general fund and an annual allocation of capital funding for capital expenses from Fund 21 using restricted sales tax revenues which are required by law to be spent for school capital purposes. In recent years the current expense appropriation has been approximately \$1.7M, and the County's capital funding has been approximately \$400k.
 - i. After a considerable amount of planning and discussion by both the Board of Commissioners and Board of Education regarding the need to replace

certain public school facilities, and after jointly applying for and receiving an initial \$40M grant for that purpose from the NC Needs Based Public School Capital Fund (NBPSCF) which subsequently increased in amount to a \$50M grant, both Boards jointly entered into a written Funding Agreement in August, 2022 related to the prospective terms of financing and facilitating the construction of a new PK-12 consolidated school building using new debt service and a lease back repayment structure.

- ii. Considerable staff time and resources have been, and will continue next fiscal year to be devoted to monitoring and managing the PK-12 project which is the largest capital project undertaken by Washington County in living memory. The revenues and expenditures related to this project are accounted for in Fund 21.
- iii. As part of the PK-12 Funding Agreement, the County undertook a substantial amount of new local debt service to combine loan funding with the grant funding in order to complete the project. In the current fiscal year the County was required to make a partial interest only payment of approximately \$431k toward that debt service. Beginning next fiscal year, full annual debt service payments will begin at approximately \$1.8M annually by the County.
- iv. Under the PK-12 Funding Agreement, the parties also agreed the County would continue in the short term to fund the School System at the same level for current expense funding, but would reduce the capital outlay funding allocations to \$100k per year to enable the County to use the remainder to help pay the debt service payments. The School System also agreed to begin paying the County \$400,000 per year as rent under a lease to be put into place between the parties at the completion of the school. Those funds would likewise be used by the County to pay down the new annual debt service.
- v. Pursuant to the Funding Agreement, management recommends that \$1,705,000 continue to be allocated next fiscal year to the School System from the general fund for current expenses/operations, and that \$100,000 be allocated to the School System next fiscal year from Fund 21 for capital outlay purposes. To cover the negative cashflow created within Fund 21 as a direct result of the large debt service obligations beginning next fiscal year, management also recommends \$700,000 be transferred from the general fund to Fund 21 which management foresees the need to make into an annually recurring transfer going forward in order to keep Fund 21 balanced.

- vi. As noted in last year's budget message, unless additional funds are secured to use toward the new substantial debt service obligation, even with the anticipated use of increased existing restricted sales tax revenues and annual lease payments from the School System, the ongoing negative cash flow impacts will have a dramatic impact not just on Fund 21 for the foreseeable future, but also on the overall ability of Washington County to maintain financial stability in its own general fund due to the likely need to begin covering the negative cash flow on a long term basis.
- vii. At this time last year, management discussed with the Board of Commissioners its recommendation that a potential tax increase of around four (0.04) cents would most likely be required to manage these new debt service obligations unless additional revenue sources were secured. Management also advocated for implementation of this tax as early as the current fiscal year which was not approved to mitigate against the potential risks associated with the growing debt service obligations.

After much discussion the Board elected not to raise taxes this current fiscal year for this purpose, and decided instead to take a wait and see approach in terms of whether additional funding might be found to avoid the need for such an tax increase. The County did in fact secure some additional revenues this year when its citizens voted to approve a referendum to authorize a new ½ cent local option Article 46 sales tax which goes into effect July 1, 2024 and is anticipated to bring an additional \$300k annually to the County's general fund. This new revenue stream helps to significantly lessen, but does not completely solve the longer term cash flow issues which may eventually require the county to consider a tax rate increase anyways to maintain its fiscal stability in the years to come, particularly if the County's fund balance which is fairly healthy at the moment declines suddenly or over time due to unforeseen events.

viii. Based on management's understanding of the Board's current positions on a tax increase in the upcoming fiscal year, and in light of the fact that the citizens voluntarily voted to approve an additional sales tax beginning next fiscal year, along with the fact that the current tax base and unassigned general fund balance appear healthy enough to withstand at least one or two years of additional transfers to Fund 21 to temporarily resolve the negative cash flow situation soon to arise there, for the upcoming fiscal year, management recommends extending the wait and see approach adopted by the Board this current fiscal year and does not recommend raising taxes this coming fiscal year.

- ix. It is possible that additional efforts to secure addition funding bear fruit and reduce the need or eventual size of a tax increase deemed necessary at a later date to assist in managing the PK12 debt service. Obviously Fund 21 and its impact on the general fund over both the short and long term should be watched with extreme care by management and the Board to proactively prevent an otherwise avoidable financial crisis from potentially arising.
- b. <u>Drainage Fund (30):</u> \$179,650 in total revenues and expenses are projected for this fund which is used to account for special drainage tax revenues and to maintain the various drainage projects and expenses throughout the county.
 - i. The currently assessed Special Tax rate of one (\$.01) cent per \$100 of assessed property value for Watershed Improvement (as authorized by voter referendum held on May 6, 1972, and levied in addition to the general ad valorem tax rate) is recommended to be maintained at the same rate for the upcoming fiscal year. Revenue from this special tax is restricted to use within this fund for drainage and watershed improvement purposes.
 - ii. This fund is also used to account for revenues and expenses of the Eddie Smith Special Assessment District which restarted active assessments this current fiscal year and is expected to continue doing so in the upcoming fiscal year. These assessments have been included in the total recommended figures for this fund.
 - iii. A new full time administrative assistant dedicated to drainage and soil and water operations is recommended as part of the proposed budget for next fiscal year to be funded from the revenues generated in this fund.
- c. Plymouth Municipal Airport Grants (38) and Operations (39): Operational revenues and expenditures are estimated in the proposed budget at approximately \$234k compared to the currently budgeted \$265 for the current fiscal year. Revenues are generated from airplane fuel sales and airplane hangar rentals. The decrease in revenues next fiscal year is due to slower than anticipated fuel sales. The recommendation also includes a continuation of the historical transfer of one collected penny or \$99,905 from the general fund ad valorem tax revenues to the Airport to sustain its operations, along with an allocated fund balance of \$42,706 for the upcoming fiscal year.

Washington County continues to receive \$150,000 annually in NPE Grant Funds and in more recent years the NC DOT DOA has waived the 10% County Match required to utilize NPE grant funding on certain safety sensitive projects.

There is a total of approximately \$2.9M recommended for eligible grant revenues and expenditures for the upcoming fiscal year which include an airfield lighting replacement project estimated at \$2.2M with the remainder being NPE funding to be utilized primarily toward engineering services related to several upcoming projects including the light improvements project, a runway obstruction clearing project, and an AWOS system.

- d. Washington County Hospital Pension Fund (40): For the upcoming fiscal year management recommends allocating \$450,000 in total revenues and expenditures for this fund, to be funded from a one-time general fund transfer. An allocation of \$50,000 remains to begin addressing long term legal needs of this plan, and to research ways to offer and process early beneficiary buy out options.
- e. <u>Opioid Settlement Fund (50)</u>: For informational purposes, this fund was established to account for the special revenues received in connection with Washington County's participation in a wide variety of opioid epidemic related litigation over the past several years. For the upcoming fiscal year, management recommends allocating \$62,790 in total revenues and expenditures for this fund.
- f. <u>DSS Trust & FC Deposits Fund (51):</u> This relatively recently created, and externally mandated fund was required to comply with GASB and LGC directives and serves as a passthrough for funds held in trust by DSS. For the upcoming fiscal year management recommends allocating \$210,000 in total revenues and expenditures.
- g. ARPA Fund (55): No allocations have been recommended for this fund in the upcoming fiscal year as management anticipates expending all funds by the end of the current fiscal year and does not anticipate receiving additional funding at this time.
- h. **Special Projects & Grants Fund (58):** This fund is used to separate and account for special projects and grants. For the upcoming fiscal year, management recommends allocating approximately \$4.3M in total revenues and expenditures. These include:
 - i. \$4,096,500 to construct the new EMTOC facility utilizing the remainder of \$3.25M received in specially designated legislative appropriations received last fiscal year for such purpose together with \$900k in local match & a 2k grant.
 - ii. \$69,226 for a future PARTF local match funded with an additional \$10,000 transfer to this fund from the general fund.
 - iii. \$100k in potential spending on an Economic Development Motorsports Grant.

- iv. \$60k in additional capital reserves for roof/hvac replacements transferred from the general fund.
- i. <u>TTA Fund (63)</u>: COVID-19 did not impact overall occupancy tax revenues as originally anticipated. Due to a relatively small fund balance historically, and the inconsistency of occupancy driven revenues, this fund balance and annual operations should also be carefully monitored to ensure that a negative fund balance is not inadvertently created particularly during periods of economic decline.

Beginning in FY18 the TTA's largest single activity, the NC Black Bear Festival, branched out to form its own non-profit corporation with financial autonomy which has considerably reduced the amount of administrative work associated with that event by county staff and has also made TTA budgeting overall much more stable and predictable.

Total revenues and expenditures in this fund for the upcoming fiscal year are projected to be approximately \$237k compared to the current fiscal year budget of approximately \$278k. This decrease is primarily due to reduced revenues and a portion of a proposed \$120,000 marketing campaign requested by the TTA which relies heavily upon an allocation of the TTA's fund balance being completed in the current fiscal year.

- j. <u>E911 Fund (69)</u>: This fund is used to account for special revenues received from the State of North Carolina for E911 related expenses. Total revenues and expenditures in this fund for the upcoming fiscal year are projected to be \$118,952 or the same as this current year. The overall fund balance and annual performance of this fund will need to be monitored and managed closely in the coming years as the program and associated reimbursement rules and amounts constantly change leaving uncertainty about reliable revenue streams and expensive technology mandates.
- k. **Revaluation Fund (70)**: For the upcoming fiscal year a continuation of the annual contribution of \$40,000 into this fund to set aside for revaluation of the assessed tax base which is required to be conducted at least every eight years is recommended. The County's next revaluation year is anticipated to be 2029.

4. Capital Outlay & Capital Improvement Plan (CIP) Items:

- a. The county has been making steady progress toward developing and more consistently utilizing a formal Capital Improvement Plan or "CIP" process over the last several years. In FY23 the CIP was revised and published online under the Finance Office's webpage based on a biennial review cycle. The next official biennial update is anticipated to occur in the fall of the upcoming fiscal year. The intent in using a biennial cycle is to reduce the large amounts of staff time and resources required of staff and management to comprehensively review and update the entire CIP itself which in many senses is a living document such as the budget which undergoes constant revisions based on changing circumstances and information as they become known and available. By conducting a biennial comprehensive review process, management hopes that the full CIP process can be conducted every other year in the fall ahead of the next fiscal year's budget cycle with minor revisions made as otherwise required to provide key updates.
- b. To assist in your review of these items, staff has included a simplified and updated itemized list of all current CIP items along with their current status in "Tab 48" of your Recommended Budget Notebooks. Items that are highlighted in blue denote that management has included and is recommending funding to be allocated to these items as part of the budget presented for the upcoming fiscal year.
- c. In addition to the specific CIP items summarized in this message, and for ease of reference, many of the recommended CIP Items to be funded in the upcoming fiscal year have also been inserted into the total recommended budget amounts for each appropriate department budget sheet or fund budget sheet, and are generally highlighted in blue on those sheets in your Recommended Budget Notebooks.

5. Personnel:

a. <u>Insurance & Benefits</u>:

- i. Health insurance rates rose sharply and unexpectedly in the prior fiscal year. As usual, the county has not been informed yet of any pending increases in the next fiscal year, but an additional 5% increase is included in the recommended Group Health Ins. rates for all employees as a placeholder next fiscal year. Also note that we anticipate all health insurance coverage converting to Aetna from Blue Cross Blue Shield in the upcoming fiscal year due to the State Health Plan making that decision the current fiscal year.
- ii. The County switched from UNUM insurance to Blue Cross Blue Shield this current fiscal year for all dental, eye, and life insurance benefits to

- save money for both employees and the County. Coverage for these services is expected to continue being provided by this provider.
- iii. The County also switched to a new Employee Assistance Program provided by New Directions during the current fiscal year which is anticipated to continue for next fiscal year.
- b. Progressive Years of Relevant Service (YORE) Based Pay Plan Background: During FY21, Washington County adopted and implemented a new compensation system based on each employee's years of relevant experience in each position. This plan was specifically designed to address serious issues that arose in previous years related to staff morale and recruiting and retaining qualified applicants to provide quality public services to county citizens.
 - i. The plan results in an ongoing number of salary adjustments countywide from year to year depending upon each employee's time/years of relevant experience which is typically measured each November, and any resulting increases in compensation typically occurring with the start of the following December payroll period, and the actual increase in pay reflected with the following January payroll.
 - ii. All such adjustments have been factored into the proposed budget based on the terms of the plan.
 - iii. Ongoing review and adjustment of the plan is anticipated as several positions remain in need of further, and as the overall plan's impact on actual county recruitment and retention, as well as related financial costs, continues to develop and become clearer with time.
 - iv. Staff currently estimates the difference from last fiscal year to this fiscal year in terms of YORE Pay Plan impacts is approximately \$84k.
- c. COLA Recommendation: After careful consideration and evaluation of our overall financial integrity, and discussions with surrounding counties about their potential cost of living adjustment (COLA) intentions for employee salaries next fiscal year, along with a comprehensive update and review of our last comparative salary study which focuses on starting pay rates for comparable positions to ours across 11 comparable counties taking into account which counties work 37.5 vs 40 hour workweeks, I recommend a 2.5% COLA for all county employees as part of the overall recommended budget in order to keep our starting salaries from falling further behind other surrounding counties, and to continue addressing recent inflation experienced over the last few years which is no longer increasing as sharply, but certainly continues to rise faster than our recent COLAs and YORE progression values put together as illustrated in the graphs included in the "Personnel" Tabs of your Recommended Budget Notebooks.

- i. This recommendation is in line with similarly sized governments in our region according to a recently published survey by the NCACC which is available on their website and will be provided under the "Personnel" Tab of your Recommended Budget Notebooks for your review.
- ii. The current projected cost of this recommendation is not anticipated to exceed \$230,000 based on estimates using the combined salaries projected for next year which take into consideration pre-planned step progressions under the recently adopted progressive pay plan. This figure has been reflected in the General Fund budget using a placeholder shown under the "Central Services" Tab of your Recommended Budget Notebooks.
- iii. Under the current pay plan, each step of progression already equates to an approximate 2.5% increase, meaning that combined with the proposed 2.5% COLA, for those employees scheduled to progress next fiscal year, they would realize a net increase in pay of 5%, and for those who do not, they could anticipate realizing this same increase at the time of their next progression typically in the following year under the current plan guidelines.
 - a. For the upcoming fiscal year, management recommends calculating the potential costs of permitting more senior employees to progress each year (rather than every other year) but at half the current step progression value. If the potential costs of this method are not prohibitive, management would bring a recommendation to the Board in FY25 to expand the applicable steps by adding half values, and then permit all employees to receive at least some annual progression even if it is at half the current step value. It is believed this would improve morale among more senior staff without costing the County more than the limited time value of providing an earlier half step in lieu of a later full step.
- d. Other Personnel Reclassification or Additional Position Recommendations: The following additional adjustments to current classifications within the pay plan are also recommended and have been incorporated into the projected salaries of the proposed budget unless otherwise indicated:
 - i. Reclassification of the current Maintenance Worker II position to a Maintenance Worker I position (without any loss of pay) to better reflect the actual duties assigned to and fulfilled by all three maintenance workers in this Department.
 - ii. 1 new FT position in DSS as an IMCW III for Adult Medicaid (Refer to written justification provided in DSS request materials) and the freezing of the DSS IT position which DSS has been unable to fill due to the salary demands of IT professionals and has chosen to utilize outside

- contracted services to fill the duties of this position for the next fiscal year and foreseeable future.
- iii. 1 new FT position in Drainage as an Administrative Assistant to help with drainage and soil and water related services throughout the County.
- iv. Reclassification of 2 EMT Basic positions into EMT Intermediate positions to create more flexibility within the overall staffing and scheduling of the EMS system. This would result in a total of 5 EMT-I positions if approved.
- e. Other Grade Modifications: After carefully reviewing the comprehensively updated comparative salary study, even after accounting for the effect of the increases to be realized in each position based on potential approval of the recommended COLA, the following additional modifications to current position grade assignments within the pay plan are also recommended in order to keep these specific positions competitively compensated in line with our other comparable counties. Placeholders to fund the anticipated costs of these modifications have been included within the recommended budget within each of the respective funds indicated in the following table:

Position	Current	New	Number	Total Est.
	Grade	Grade	of	Cost

- f. <u>Additional Part Time Hours</u>: The following departments have been allocated additional part time assistance in the proposed budget:
 - a. Finance (refer to written justification in Finance request materials)
 - b. Elections
 - c. Animal Control (to permit the use of 2 PT employees throughout the year to cover shelter maintenance needs weekly)
 - d. Recreation
- g. Except as stated above, no position reclassifications or previously unapproved modifications to individual full-time employee salaries, nor any new fully funded full-time employee positions, are included in the proposed budget.
 - i. Management notes the need to continue to update and review its comprehensive pay study last conducted about four years ago and recently updated to account for changes in market conditions and to prepare for making better long-term staffing decisions in what is certain to be a challenging future for personnel recruitment and retention.
 - ii. Management recommends further analysis in the upcoming fiscal year of the Telecommunications and DSS department salaries to insure competitive/comparable salaries are maintained in these departments...
- 6. <u>Summary:</u> This recommended budget attempts to manage expenses and utilize revenues in order to meet all current mandated funding requirements and ongoing needs. The NC General Assembly may pass along other costs or change revenues that may alter the budget once it's adopted. The County will need to monitor and evaluate the effects of any legislative changes on the budget during the fiscal year.

It should serve as some comfort that over the past few years, Washington County has done an admirable job of building its available unassigned General Fund Fund Balance (while also building fund balances to responsibly address other debts and liabilities owed

by the County) to an amount more in line with Management's recommendations, and which as of the prior year audit, appears to provide us with a solid footing on which to think about how to best meet the challenges ahead of us.

The continued use of a formal proactive CIP process, along with maintaining a healthy fund balance will better equip us to continue meeting and overcoming our future fiscal challenges in the years to come. For the short term, in the coming fiscal year, some of those major challenges will include without limitation:

- Completing construction of the PK-12 School & beginning its lease & debt payments.
- Construction of a \$4M EMTOC building.
- Monitoring the ongoing collection of over \$1.7M from a single delinquent taxpayer
- Absorbing unfunded mandate increases such as the scrap tire program overages.
- Stabilizing the landfill net position.
- Continuing to manage increasing inflation and unprecedented staff shortages/competition.

A public hearing regarding this recommended budget is scheduled for **6PM** on **May 20th, 2024** in the Washington County Board of Commissioners Room at 116 Washington St. Plymouth, NC 27962.

Please contact the Clerk to the Board at the information in the letterhead of this Budget Message for more information about how to attend or be heard at this hearing.

Final adoption of the budget for the upcoming fiscal year is anticipated to occur sometime during the month of June this year, and could occur as early as the same night of the public hearing.

If the Board desires to hold any additional special meetings to discuss any questions or concerns it may have related to the recommended budget, staff requests that those meetings be scheduled prior to the upcoming public hearing to the greatest extent possible in order to keep the overall timetable on track for budget adoption by early June of this year.

I would like to take time to thank the county staff who collectively devoted countless hundreds of hours of time this year to assist the Finance Officer and myself in preparing the budget for next fiscal year. We are truly appreciative of their efforts and input and look forward to continuing to work with everyone to serve the best interests of our employees and the citizens we all serve.

Thank you for your time and consideration of this recommended budget. I look forward to continuing to work with this Board and the staff through its deliberation and eventual adoption.

Mr. Potter stated that the School Supt. will be at the public hearing on May 20,

Chair Keyes said on behalf of the Board they appreciate all the work staff has done in the last year.

BOARDS & COMMITTEES: Ms. Bennett, Clerk to the Board stated she was contacted by the Director of the TTA, Mr. Tom Harrison, asking the Board to approve the TTA's recommendation to appoint Ms. Tasha Young, proprietor of the Holiday Inn Express to the TTA.

Ms. Young has said she would serve if appointed.

<u>Commissioner Johnson made a motion to appoint Ms. Tasha Young to the TTA.</u> <u>Commissioner Phelps seconded. Motion carried unanimously.</u>

<u>FINANCE OFFICER'S REPORT:</u> Ms. Dixon went over the budget transfers and budget amendments that were in the Commissioners' package. Please see below.

Recreation				
		106,298.00		106,298.00

Justification:

This transfer is to move monies within the Recreation Budget from/to various lines. This transfer is needed to continue to pay for Utilities, Building Maintenance and Officials through fiscal year end. In order to continue to play any sports, we have to move monies to cover these items therefore we are reducing the number of games being played to free up some of the part-time monies to cover these costs that have come in much higher than anticipated when the budget was originally put together.

EMS Transport				
		111,115.00		111,115.00

Justification:

This transfer is to do the following: move monies from Facility Services Maintenance & Repair Building to Capital Outlay Equipment - this was to purchase a regulator for the install of the generator to the County Manager's Building and should have originally been coded to Capital Outlay as it should have been considered part of the total purchase hand hookup of the generator that was over the \$5,000 threshold; and to move monies in EMS Transport from Capital Outlay to Departmental Supplies as the purchase of the Stair Pro Chair was under the \$5,000 threshold. Once these budget dollars are moved to the appropriate place, the expenditures will be moved to the correct lines as well.

Justification:

This transfer is to redistribute budgeted funds within the Senior Center to cover a shortfall in the travel line which pays for staff travel and gas for the vehicle. This transfer will also move funds within DSS from the Legal Protective Services line to the Family Reunification line in order to cover expenses for Psych Evaluations that have to be completed prior to year end for current cases that the agency is aware of-both lines are reimbursable at 50%, therefore there is no change in revenues.

RE: DSS Trust Accounts

Please authorize the finance officer to make the following budgetary adjustments:

195,000.00
(50,000.00
245,000.00

Justification:

After being made aware of new incoming trusts that DSS will be receiving as Guardianship cases, it was noticed that there will be an increase in revenues with these cases therefore dictating the need to increase both the revenue line and the expenditure line by \$15,000 for these new trusts. It was also noted that expenses for some of the individuals currently in DSS care have increased due to cost of care for the facilities that they are located in - this has resulted in the need to appropriate fund balance for monies that have been held for them in order to also increase the expenditure line by an additional \$50,000. The total increase in expenses is estimated to be around \$65,000 prior to fiscal year end.

Landfill				
	Balance	ed: 18,900.00	.	18,900.00

Justification:

This budget amendment will reduce the Landfill Fund Balance Appropriation by \$10,062. During budget season, there was an allocation of \$64,916 from fund balance however once the books were closed and the audit finished, it was noticed that we did not have this full amount available. At June 30, 2023, the fund balance was \$54,854 therefore dictating the need to reduce the fund balance appropriation as not to overspend this fund. We are able to reduce some of the salary and benefits lines to cover this decrease due to not being fully staffed at the landfill this fiscal year.

Mr. Squires is talking with the architect. The Budget book is missing the Fee Schedule will be given to the Commissioners before the Public Hearing on May 20.
 - Mr. Potter asked Ms. O'Neal, EMS Director, to tell the Board about the package she received. She said they received the life support equipment that they had in this year's budget.

Commissioner Johnson made a motion to go into Closed Session pursuant to NCGS§143-318.11(a)(3) (attorney-client privilege and NCGS §143-318.11(a)(6) (personnel). Commissioner Phelps seconded. Motion carried unanimously.

Back in Open Session, Chair Keyes read a message she received from Mr. Ron Ambrose, Chair of the Fire Commission regarding their budget needs this year:

I trust this message finds you well. I am writing to share a proposal that I believe is of utmost importance for our community's safety and well-being.

Following discussions with our five fire chiefs, it has become evident that our Fire departments require additional funding to effectively carry out their duties. Currently, our fire commission operates with a tax allocation of four cents from the ad valorem tax. However, it was originally requested to be five cents, and the need for that extra penny has only grown more critical over time.

The escalating costs associated with firetrucks have made it increasingly challenging to maintain our apparatus within the NFPA standards. It's imperative that we address this issue promptly to ensure the safety of our firefighters and the efficiency of our emergency response services.

Therefore, I propose the allocation of an additional penny to the ad valorem tax, bringing the total to five cents for the fire commission. This extra funding would come with specific stipulations regarding its usage. Primarily, it would be earmarked for the purchase of fire trucks, major repairs, or annual payments on fire apparatus. Furthermore, funds could only be retained for a maximum of five years without any activity, after which they would be held until necessary purchases or repairs are made.

I believe this proposal is crucial in enabling our fire departments to adequately plan and maintain their equipment, ensuring that they remain fully equipped and prepared to serve our community. Without this additional support, we risk falling short of the standards required for

effective emergency response. We also will not be able to rotate the purchases of breathing
apparatus, structural gear, and other high-dollar equipment needed to serve our community.
I respectfully request your careful consideration of this matter, along with that of your fellow commissioners. Our dedicated fire personnel deserve every possible resource to carry out their duties safely and effectively.
Thank you for your attention to this important issue. I look forward to your favorable response.
Warm regards,
Ron Ambrose

The Washington County Board of Commissioners met in a recessed meeting on Monday, May 20, 2024, at 6:00 PM in the Commissioners' Room, 116 Adams Street, Plymouth, NC. Commissioners Ann C. Keyes, Tracey A. Johnson, Carol V. Phelps, John C. Spruill and Julius Walker, Jr. were present. Also present were County Manager/County Attorney Curtis Potter, Clerk to the Board Julie J. Bennett and County Finance Officer Missy Dixon.

Chair Keyes called the meeting to order.

CONSENT AGENDA:

- a) NCVTS Pending Refund Report
- b) RESO 2024-018 Authorizing Sale of Real Property, 134 Daisy Lane
- c) RESO 2024-019 Authorizing Sale of Real Property, 90 Cumberland St.
- d) RESO 2024-020 Vulnerable Adult and Elder Abuse Awareness Month (Proclamation)
- e) RESO 2024-021 Authorizing Execution of A Utility Right of Way Agreement with Dominion Energy to Install and Connect Electrical Utilities at the Newly Constructed PK-12 School

Commissioner Spruill said told the Board that Elder Abuse is a very real problem in most communities and most of our families. He is glad that the Commissioners have drawn attention to it.

<u>Commissioner Johnson made a motion to approve the Consent Agenda.</u> <u>Commissioner Phelps seconded. Motion carried unanimously.</u>

BOARD OF EQUALIZATION AND REVIEW:

<u>Commissioner Spruill made a motion to re-convene as the Board of Equalization and Review. Commissioner Walker seconded; motion carried unanimously.</u>

Ms. Bennett stated that Ms. Wilkins called before the start of tonight's meeting and was under the weather and unable to attend. Ms. Wilkins asked Ms. Bennett to relay to the Board that there were no appeals as of today.

<u>Commissioner Phelps made a motion to recess the Board of Equalization & Review to June 3, 2024. Commissioner Spruill seconded. Motion carried unanimously.</u>

<u>FINANCE OFFICER'S REPORT:</u> Ms. Dixon went over the budget transfers and budget amendments that were in the Commissioners' Agenda Package.

From: Curtis Potter, County Manager Missy Dixon, Finance Officer

Date: May 13, 2024 RE: SS Admin

Please authorize the finance officer to make the following budgetary adjustments:

Account Code	Description	Old	+ or (-)	New
10-5310-010	SS Admin - Salaries & Wages-Board	1,500.00	(130.00)	1,370.00
10-5310-600	SS Admin - Contracted Services	177,960.00	130.00	178,090.00
SS Admin	•			
		179,460.00	-	179,460.00

Justification:

This transfer is to move budgeted funds from Salaries & Wages Board to Contracted Services. This transfer is needed to put with additional unencumbered funds to increase the Vanguard Contract due to the loss of the IA&T Social Worker and a new Social Worker III starting on May 16th. These personnel changes, will put us in a position of needing additional assistance from Vanguard to provide Child Protective Services. Both lines are reimbursable at 50% therefore there will be not change in revenues.

RE: General Fund/Projects and Grants Fund

Please authorize the finance officer to make the following budgetary adjustments:

Account Code	Description		Old	+ or (-)	New
10-4260-556	CIP Roof Repairs/Replacement Reserves		120,000.00	(120,000.00)	
10-4260-558	CIP HVAC Repairs/Replacement Reserves		27,107.00	(27,107.00)	-
10-9800-058	Transfer to Projects/Grants Fund		19,226.00	147,107.00	166,333.00
58-3980-010	Transfer from General Fund		(19,226.00)	(147,107.00)	(166,333.00
58-4260-556	Cap Reserves Roof Repairs/Replacements		-	120,000.00	120,000.00
58-4260-558	Cap Reserves HVAC Repairs/Replacements		-	27,107.00	27,107.00
General Fund/P	rojects and Grants Fund				
	Bala	inced:	147,107.00	-	147,107.00

Justification:

This amendment is to transfer previously budgeted funds for Roof/HVAC Repairs and Replacements from the General Fund to the Projects/Grants
Fund in order to begin to build a reserve for the projects in the coming years. This is being done much like the PARTF Grant match monies that we
are building in this Fund.

- E- 1pg EMS Salary Comparison Chart (Updates Budgett Notebook Tab 49)

<u>PURPOSE</u>: To discuss and consider approval of the proposed FY25 Budget, as recommended by the Budget Officer, together with any staff/board recommended changes or modifications approved by the Board, after first conducting the official Public Hearing on the recommended budget.

BACKGROUND/STAFF DISCUSSION & ANALYSIS:

- A. The Budget Officer presented the FY25 recommended budget together with the FY25 Budget Message to the Board at its regular 5/6/24 meeting. Notice was provided as required by law for an official Public Hearing on the recommended budget at the Board's 5/20/24 meeting.
- B. After an opportunity for further review, including an opportunity for department heads to review their individual recommended departmental budgets, and an opportunity for the Finance Office to pre-key the entire proposed budget into the county financial software for reconciliation purposes, the Budget Officer recommends the following amendments to the originally presented FY25 Budget as follows:

Agenda Item Memo Page 1 of 2

General Fund (Fund 10) Allocation Amendments:

10-3990-000	Appropriated Fund	+12,500	Additional revenue allocation to balance GF
	Balance		budget against \$12,500 Animal Control Grant
			Exp. not picked up in original expense totals

	Communications		orig FY25 budget request. Req via
			email from D. Fikes 5/13/24

- FY 25 Budget Message Clarifications: The Budget Officer also offers the following clarifications to the originally presented FY25 Budget Message. No impacts to the underlying recommended budget allocation figures result from these clarifications:
 - Pg13, 2nd Paragraph: The recommended current expense/operations allocation to the school system should have been shown as \$1,735,000 rather than \$1,705,000. This error was due to a typo in the message, but correct figures were used throughout supporting documentation/worksheets.
 - Pg19(d)(iv) & Pg20 2nd row in EMS Table: There are actually only 2 EMS position reclassifications from EMT Basic to EMT Intermediate to add to the 3 Intermediate positions already in EMS. This error was due to a typo in the message, but correct figures were used throughout supporting documentation/worksheets.
 - Pg20: Last 2 rows of 1st Table: The "Total General Fund" and "Total Water Fund" figures summing up the total estimated cost (including ancillary benefits) associated with implementing the recommended grade modifications set out in the table on Page 20 of the Budget Message were transposed by mistake. The Figures should reflect Total General Fund: \$28.5k and Total Water Fund: \$11k
- FY25 Fee Schedule: The proposed fee schedule is attached for your review with modifications shown in red using MS Track Changes.

STAFF RECOMMENDATION: Review the updated information described in this Memo, conduct the Public Hearing on the FY25 Budget, discuss any questions or concerns, and lastly direct staff to prepare the FY25 Budget Ordinance with any further modifications or amendments desired by the Board for approval at the June 3rd, 2024 meeting.

Mr. Ron Ambrose, Fire Commission Chair. Mr. Ambrose Handed out a packet that was voted on by the Fire Commission and accepted to send to the Commissioner's to add \$.01 cent of the ad valorem tax to their budget. Mr. Ambrose discussed items that they are required to have. Items that have to be rotated every 10 years. Talked about the last sheet...the bottom of it. Things they are required to have. The cost of a fire truck has tripled since 2019. Mr. Ambrose

said the hopes to have a favorable vote on this and the Fire Commission appreciates all that the Commissioners have done.

Ms. Steffanie Barnes, Alliance for Greater Eastern NC (AGENC) read the following letter to the Commissioners.

Washington County Board of Commissioners 116 Adams Street Post Office Box 1007 Plymouth North Carolina 27962

Good evening Chair Ann Keyes, Vice-Chair Carol Phelps and members of the Board of the Washington County Commissioners. Thank you for the opportunity to address the Board regarding our \$2,000.00 appropriation request. The Alliance for Greater Eastern North Carolina (AGENC), a 501(c)(3) not-for-profit, has operated in Washington County since 2015.

AGENC has provided musical enrichment to the residents of Washington County in the form of Jazz Concerts for the general public, and a music appreciation program for the students of Washington County Middle School (to include the high school band at that time). We have donated school supplies to all public schools in Washington County. We have donated to the Department of Social Services Christmas Fund and to the Plymouth Food Pantry.

Prior to Fiscal Year 2021-2022, AGENC provide these activities with revenue that we generated from our events, in-kind donations and monetary donations. In Fiscal Year 2021-2022, we received a grant from the North Carolina Arts Council that helped us to offer more events. Our board members receive no compensation. They are committed to giving back to the community where we grew up and where some still live.

Part of AGENC's Mission is to bring cultural and performing arts to Rural Eastern North Carolina where many of the residents don't have opportunity to travel to other parts of the state for good, wholesome entertainment.

We ask the Board to support our request and be a partner as we all work to improve the quality of life for our families and friends. Enclosed is our portfolio detailing many of our events and activities.

Respectfully,

Joyce Swain Holloway

Chair and Executive Director

Alliance for Greater Eastern North Carolina

Ms. Sandy Rhodes, (CFFVC) spoke to the Board about needing funding for the Center for Violence Protection and talked about Ms. Doretha Garrett, the local advocate helping our residents. Ms. Garrett also spoke and said they appreciate any help that the County can give them. She did a presentation to the Board a few months ago but is here tonight asking for money. She would like to see families that they serve get a piece of pie. She noted that they also have an attorney on board.

Mr. Squires asked a question--how many calls are received from Washington County on average. Ms. Rhodes said they provide about 85 services a month to our residents.

Commissioner Johnson made a motion to close the public hearing on the Washington County FY25 Budget Recommendation. Commissioner Walker seconded; motion carried unanimously.

Ms. Potter took a moment to introduce our ECU summer intern who is here about 25 hours a week on a pre-law track. Her name is Emma Corbett.

Commissioner Phelps reminded everyone of the Bear Festival next weekend (June 1).

Mr. Walker thanked the individuals that spoke tonight and gave him a different perspective on their issues.

Chair Keyes thanked folks for being here to speak and she wanted everyone to know that the Fire Fighters that were here tonight DO NOT GET PAID.

Commissioner Spruill asked Dr. White, School Supt. about the number of teachers getting supplements. Dr. White deferred to Ms. Jordan (WCS Finance Officer). She gave the following numbers for the amount of money received from the County for teacher supplements: 2022 ~\$66,609, 2023 ~\$104,751 and 2024 ~\$71,826. Commissioner Spruill said he wants the actual numbers including how many teachers this covers.

Commissioner Spruill said he has a concern regarding the funding agreement for the PK-12 school. He was under the impression that it would be reviewed each year and the Early College would be moved to Roper and he has also heard that the school has received some additional grant funding. Dr. White deferred to Ms. Simpson and she said they are looking for a 3-county system to offer programs that none of us can provide as a standalone county -- Hyde, Tyrrell, & Washington. Programs might be nursing, HVAC, welding, and electrical and there is not enough room for these classes in the new school. Commissioner Spruill said that this new school is putting the citizens in debt and every penny counts.

Commissioner Phelps asked if they (WCS staff) have given any consideration to moving all of these programs to the Roper Union School. Dr. White said renovation of the site would not be cost advantageous. The BoE rejected the Creswell School to be repaired. Phase II said to tear it down. Commissioners took that out—for it not to be torn down. Commissioner Phelps is not in favor of what the BoE is talking about. Commissioner Spruill said to keep two welding schools open may be a little much.

<u>VOTING DELEGATE FOR 2024 NACO ANNUAL CONFERENCE:</u> Ms. Bennett, Clerk to the Board told the Commissioner that Commissioner Johnson is the only Washington County Commissioner attending the 2024 NACO Annual Conference in Florida in July.

County Voting Delegate for the 2024 NACO Annual Conference. Commissioner Phelps seconded.

Motion carried unanimously. Commissioner Johnson wanted it to be noted that no County money is being used for this trip.

Commissioner Phelps made a motion to	adjourn. Commissioner Spruill seconded.
Motion carried unanimously.
